Soul at Work Barbara Smith-Moran,1997 These meditations on you and your work invite the reader to examine their place in God s economy Work can be just a job or it can be a vocation depending on how you view it These reflections can be done as a six week study either on your own or in a small group *Peaceful at Heart* Don Neufeld,Steve Thomas,2019-05-31 While there are plenty of books by men for men on the topic of Christian masculinity these books generally fail to address men s propensities for violence and the traditional inequity between men and women often endorsing inequity and sanctioning aggressive behavior as an appropriate manly response to conflict *Peaceful at Heart* cuts through this conversation by offering a uniquely Anabaptist Christian perspective on masculinity The vision of masculinity presented in this book is more peaceful just caring life giving for men and more sensitive to women and children than both

traditional images of masculinity and the hypermasculine images promoted by contemporary popular culture and wider evangelical Christianity Peaceful at Heart addresses men and masculinity using Anabaptist theological themes of discipleship community and peace As a collaborative project by men for men this book demonstrates through personal narratives theological reflection and practical guidance the importance of collective discernment accountability and mutual encouragement regarding how to live as a peaceful man in a violent world *The Soul of Tomorrow's Church* Kent Ira Groff,2000 The goal is to allow the form of Jesus the Christ to take shape in the believer and the believing community It is to experience the soul of Christ s integrity passion and wholeness in these five basic functions of community worship administration education soul care and outreach In varied forms these are the foundational mandates of ministry vertical threads in the tapestry Interlaced with these are five horizontal threads essential spiritual aptitudes that open us for God to restore the soul of ministry These five pray discernment faith stories silence and hospitality reflect the pattern of Christ life as contemplative threads are woven into active ministry functions The pattern created is a twill known for its durability flexibility and potential variety of horizontal threads *The Living Church* ,1922 *Rediscovering the Soul of Business* John Renesch,Bill DeFoore,1995 This provocative anthology addresses the plight of the human spirit in modern business
