## **Soul At Work Spiritual Leadership In Organizations:**

*Soul at Work* Margaret Benefiel,2005-08 Soul in the workplace is not a theological abstraction but a way of being and doing Each of the organizations Benefiel profiles describes the profound role that awareness of soul or spirituality can play in leadership and organizational life P 4 of cover     *The Soul of a Leader* Margaret Benefiel,2008 Demonstrating the principle that soulfulness at work is a way of being and doing this guide provides new perspectives on the qualities of leadership Three main sections elaborate on the themes of choosing the path staying on track and persevering to the end Drawing from interviews with outstanding leaders including Tom and Kate Chappell the founders of Tom s of Maine Bob Glassman co chairman of Wainwright Bank Desmond Tutu and The Edge of rock band U2 and supported with guided questions in each section this book is an essential addition to the bookshelf of anyone who wants to lead with soul In an environment where leaders are rewarded for their drive decisiveness productivity and long work hours the spiritual well being of a leader may get short shrift and harm can come to both the leader and the organization this individual serves Challenging the assumptions that effective leaders must sell their souls cut corners cook the books and let go of their vision a new model of spiritual leadership is offered Teachers parents committee chair leaders and other individuals in organizations of any size are exhorted to aim higher and lead with soul in any sphere large or small

## **Meeting the Ethical Challenges of Leadership**

Craig E. Johnson,2020-01-14 Meeting the Ethical Challenges of Leadership Casting Light or Shadow explores the ethical demands of leadership and the dark side of leadership The book takes an interdisciplinary approach drawing from many fields of research to help readers make ethical decisions lead with integrity and create an ethical culture

**Spirituality and Business** Sharda S. Nandram,Margot Esther Borden,2009-11-11 We Sharda and Margot feel very honored to be able to write and edit such a book Our spiritual journey has led to the passion of bringing together and sharing the thoughts we ourselves have come across in our lives by meeting gurus swamis like minded seekers managers teachers entrepreneurs academics students and by reading books and practicing spiritual techniques We also have gained much spiritual inspiration from the teachings of Sri Aurobindo and The Mother to whom we are grateful The thoughts presented in this book already exist in the East and West Integrating them into the way we do business can help us to regain trust and respect in business even in the current economic crisis We aim to convince others of our deep belief that spiritual practices and a spiritual orientation help make life more enjoyable and makes us better human beings through helping us to live in line with our karma in every context of life in our roles as employees entrepreneurs managers leaders mothers or fathers etc

*Called and Chosen* Zeni Fox,Sr Regina Bechtle,Sc Regina Bechtle,Seton Hall University,2014-05-10 That lay women and men increasingly serve as leaders of institutional ministries in the Church is nothing new Yet until now these lay leaders have longed for theological resources and formation training to help them in their vocation and ministry *Called and Chosen Toward a Spirituality for Lay Leaders* is designed especially for women and men who in collaboration with vowed religious

and the ordained shepherd Church ministries and touch the lives of countless people Written by leading authorities in biblical studies theology spirituality church history and ecclesial leadership the book is broken into four parts Part one invites lay leaders to claim their own call and commitment by reflecting on the Catholic vision of spirituality vocation mission and ministry and the experiences of other leaders Part two grounds their work in the larger story of our institutional ministries by examining their biblical theological and historical roots Part three probes the work of the Spirit in communities and institutions against the backdrop of contemporary cultural realities to help leaders develop the capacity to discern the Spirit's workings Part four focuses on issues central to the role of a spiritual leader the spirituality of administration the task of building community the use of power and authority and work of forming and mentoring others Questions at the end of each chapter invite further reflection on the themes explored

*Present-Day Spiritualities* ,2013-10-10

Many forms of present day Western spirituality contribute to people's well being whereas others have raised criticism The study of these different forms is however complicated by their continuously diverging practices and ideas By bringing to bear a multidisciplinary approach the ten specialists of this volume are able to analyze diverse new instances of spirituality e g in religious contexts Buddhism Christianity popular use organizations and enterprises alternative health service and works of art Most contributions also discuss methods and theories In their editorial chapters Elisabeth Hense Frans Jespers and Peter Nissen show the remarkable overlaps in the approaches definitions and evaluations of the contributions in this volume and provide a theoretical framework Both the fresh analyses and the theoretical reflections in this volume point the way to new approaches in this field of study Contributors include Jerry Biberman Mark Elliott Miguel Farias Johan Goud Paul Heelas Elisabeth Hense Frans Jespers Hubert Knoblauch Peter Nissen Paul van der Velde

*Capturing the Heart of Leadership* Gilbert W.

Fairholm,1997-03-25 This book seeks to promote a new spiritual approach to organizational leadership that goes beyond visionary management to a new focus on the spiritual for both leader and led Reflecting on the current crisis of meaning in America this book takes up the search for significance in peoples worklives in the products they produce and in the services they offer Recognizing that the new corporation has become the dominant community for many commanding most of our waking hours by providing a focus for life a measure of personal success and a network of personal relationships Fairholm calls on business leaders to focus their attention on the processes of community among their stakeholders wholeness integrity stewardship and morality Spiritual leadership is seen here as a dynamic interactive process Successful leadership in the new American workplace therefore is dependent on a recognition that leadership is a relationship not a skill or a personal attribute Leaders are leaders only as far as they develop relationships with their followers relationships that help all concerned to achieve their spiritual as well as economic and social fulfillment

*Understanding Leadership Perspectives*

Matthew R. Fairholm,Gilbert W. Fairholm,2009-04-05 hand Indeed we do not easily move out of one mind set into another What we believe to be true given our particular experience often seems to be the only truth Often we need some outside

force to trigger reevaluation and rethinking That triggering force to intellectual growth may be a new idea a new situation a new value a new boss or some other significant emotional event maybe even a new book The Research Foundation This book is founded on two pillars one a model of five leadership mind sets common in the last 100 years first presented in Gilbert W Fairholm's 1998a 1998b book *Perspectives on Leadership From the Science of Management to its Spiritual Heart* and two Matthew R Fairholm's 2002 dissertation *Conceiving Leadership Exploring Five Perspectives of Leadership by Investigating the Conceptions and Experiences of Selected Metropolitan Washington Area Municipal Managers* which analyzed and validated the perspectives model see the Appendix for more details The data collected confirm there are five distinct perspectives of leadership evident in the 100 year history of leadership study and practice The resulting model defines the five perspectives in terms of descriptions of leadership in action leadership tools and behaviors and the way leaders approach their relationship to followers The five perspectives are related hierarchically so that they progressively encompass a unique perspective of the leadership phenomenon

**Handbook of Heroism and Heroic Leadership** Scott T. Allison, George R. Goethals, Roderick M. Kramer, 2016-10-04 Over the past decade research and theory on heroism and heroic leadership has greatly expanded providing new insights on heroic behavior The Handbook of Heroism and Heroic Leadership brings together new scholarship in this burgeoning field to build an important foundation for further multidisciplinary developments In its three parts Origins of Heroism Types of Heroism and Processes of Heroism distinguished social scientists and researchers explore topics such as morality resilience courage empathy meaning altruism spirituality and transformation This handbook provides a much needed consolidation and synthesis for heroism and heroic leadership scholars and graduate students

**Belief and Organization** P. Case, H. Höpfl, H. Letiche, 2012-10-15 Examines the alternative belief systems which contemporary organizational actors live by and through which they seek to find meaning within the dominant neo capitalist social order This volume marks an attempt to move the study of belief forward within management and organization studies

**Spirituality in Business** Jerry Biberman, Len Tischler, 2008-04-15 An innovative look at some of the latest research on the intersection of spirituality and business **Business Ethics** Eugene C. Ahner, 2007 An essential guide to business ethics in a global economy From an author with thirty years experience as an executive and corporate officer Business Ethics addresses students and those engaged in business to help them understand their work as an integral form of human development as well as an authentic Christian vocation Ahner believes that the cure for poverty is better business practices rooted in a deeper grasp of human nature Ultimately he shows if business isn't ethical it isn't even good business

The Publishers Weekly, 2005 *Capitalising on Culture, Competing on Difference* Finbarr Bradley, James J. Kennelly, 2009-02-23 After two decades of exceptional economic growth and cultural change Ireland faces the greatest challenge yet creating a sustainable competitive advantage to guarantee its success in the future Finbarr Bradley and James Kennelly recommend a renewed sense of national identity as social and cultural capital to maintain and enhance Ireland's

economic development    **U2** Višnja Cogan,2006 Visnja Cogan delves into the personal story of U2 starting with the early days in Dublin    **The China Christian Advocate** ,1914    *Inspirational Leadership* Lance H. K. Secretan,1999  
Inspirational Leadership takes us on a journey through the new world of work and a new definition of leadership one in which leaders inspire their followers to find new meaning in their work lives Citing a wide range of examples Lance shows how leaders can help their followers find their callings within the workplace and reach new heights in professional fulfillment Casting aside old outdated mission statements and aggressive self serving agendas new style leaders will work to serve their followers and bring out the best in each member of the team This deeply felt truly spiritual book arrives just as the new millennium approaches Author Lance Secretan urges us to recognize this fundamental change as a priceless gift one that calls for a new vision of balance between the mind and the heart between the personality and the soul The time is right for a radical redesign of leadership organizations and work    **Organization Development** Wendell L. French,Cecil Bell,1999 Textbook    *Rediscovering the Soul of Business* John Renesch,Bill DeFoore,1995 This provocative anthology addresses the plight of the human spirit in modern business    *Leadership* Robert N. Lussier,Christopher F. Achua,2001 This text employs a unique three pronged approach of theory application and skill development to create the most practical leadership book on the market It covers all of the traditional theory along with cutting edge leadership topics Applications develop critical thinking skills about the concepts Proven skill building exercises foster leadership skills that can be used in professional and personal lives This three pronged approach offers the greatest variety of learning material to meet each student s unique needs
