SenGupta,2014-06-27 Memoir of an Artist is a compelling account of an unpredictable life that stretches through India Nigeria and Paris As a student he was a witness to the student revolt in Paris in 1968 in the seventies he was in Nigeria observing the post Biafra scenario as a teacher in the university As a product of institutional education that shaped and groomed the new artists he realizes the impact of Eurocentric dialogue on Indian art so imposing that it makes Indian art in perpetual transit Again in the process of creating dialogue within Kolkata life author discovers contemporary art indeed has no social connectivity thus the educated progressive is unable to dialogue with the progressing art Indian modernism has become a manufactured brand within art commerce aligned to global marketing Meanwhile life has many spectrums and the author has observed the modernistic agenda exists in contemporary art as in many activities of Indian life but each is like an island without connectivity

**The Way, the Truth, and the Life: The Way** Rev. Charles Thomas Comella,2016-10-14 The earliest Christian church was called The Way It was called this because Jesus Christ s advent life death and resurrection did not focus upon theology as such or doctrines as such or upon achieving warm fuzzy feelings as such Jesus s teachings and life were all focused upon a way of life A way of life focused upon a relationship with God and a way of life focused upon our relationships with our fellow men and women Jesus shined a spotlight on how we are to live yearly weekly daily act by act step by step decision by decision under the watchful eyes of a gracious loving God who knows us and calls us by name Even Jesus s death and resurrection were pointers revealing the way the way of the journey we will all take one day This small book is called The Way because it focuses as Jesus did upon the how tos needed to cope with an increasingly irreligious if not anti Christian culture How do I deal with fear How do I deal with my guilt How do I From my observation and experience these are the questions in the mind of the man or woman in the pew There are ways There is a way They were pioneered for us by Jesus He and his way is The Way
