The 20th century especially the latter decades was a time of explosive growth and importance in hymnody and yet published material about the hymnody of this period has been scattered and difficult to come by The present volume catalogues and categorizes the available writings to guide students and scholars in their research Furthermore this reference does not depend primarily on the view of the author compiler but guides users toward a broad spectrum of viewpoints about 20th century hymnody Listing the principal writings on the repertory language practice and people of hymnody during the last century this annotated bibliography offers students and researchers alike a handy reference for a vast and varied field Beginning with a unique introduction to and summary of hymnody in the 20th century Music arranges the entries by topic dividing each chapter by helpful subject headings The repertory of the twentieth century and language issues are discussed Practical elements of hymnody are covered while the final chapter lists writings about individual hymn writers and other influential persons in the field Music provides a brief annotation for each entry and uses numerous cross references guiding the reader to relevant material in other sections of the book A comprehensive index concludes this essential reference

The Oxford History of Christian Worship Geoffrey Wainwright,2006 The Oxford History of Christian Worship is a comprehensive and authoritative history lavishly illustrated of the origins and development of Christian worship up to the present day Following contemporary methods in scholarship it attends to social and cultural contexts and examines the worship traditions from both Eastern and Western Christianity ancient and modern It offers a chronological account while encompassing spatial and confessional variations from Baptists in Britain to Roman Catholics in Mexico from Orthodox in Ethiopia to Pentecostals in the United States from Lutheran and Reformed in Europe to united churches in India and Australia The material details of Christian worship such as music architecture and the visual arts are considered within specific cultural contexts throughout the volume as well as studied thematically in individual chapters **BOOK JACKET A New Song We Now Begin** Robin A. Leaver,2024 We tend to remember hymns one at a time We forget that the reason we can do so is because they have been made available throughout the centuries in hymnals This edited collection explores the 500 year tradition of Lutheran hymnal production illustrating how these books have influenced Lutheran faith and worship practice over time **Sacred Song and the Pennsylvania Dutch** Daniel Jay Grimminger,Don Yoder,2012 Sheds light on the process of cultural change that occurred over the course of a century or more in the majority of Pennsylvania German communities and churches The Pennsylvania Dutch comprised the largest single ethnic group in the early American Republic of the late eighteenth and early nineteenth centuries Yet like other ethnic minorities in early America they struggled to maintain their own distinct ethnic identity in everything that they did Eventually their German Lutheran and Reformed

customs and folkways gave way to Anglo American pressure The tune and chorale books printed for use in Pennsylvania Dutch churches document this gradual process of Americanization including notable moments of resistance to change Daniel Grimminger's *Sacred Song and the Pennsylvania Dutch* is the only in depth study of the shifting identity of the Pennsylvania Dutch as manifested in their music Through a closer examination of music sources folk art and historical contexts this interdisciplinary study sheds light on the process of cultural change that occurred over the course of a century or more in the majority of Pennsylvania German communities and churches Grimminger's book also provides a model with which to view all ethnic enclaves in America and elsewhere and the ways in which loyalties can shift as a group becomes part of a larger cultural fabric Daniel Grimminger holds a doctorate in sacred music and choral conducting as well as a PhD in musicology He also holds a master of theological studies degree and is a clergyman in the North American Lutheran Church Grimminger teaches at Kent State University and is the pastor at Faith Lutheran Church in Millersburg Holmes County Ohio
