The Cost of Discipleship Dietrich Bonhoeffer, 2012-08-07 NEW FOREWORD BY ERIC METAXAS Dietrich Bonhoeffer one of the most important theologians of the twentieth century illuminates the relationship between ourselves and the teachings of Jesus in this classic book on living as a Christian What can the call to discipleship the adherence to the word of Jesus mean today to the businessman the soldier the laborer or the government worker What did Jesus mean to say to us What is his will for us today Drawing on the Sermon on the Mount Dietrich Bonhoeffer answers these timeless questions by providing a seminal reading of the dichotomy between cheap grace and costly grace Cheap grace Bonhoeffer wrote is the grace we bestow on ourselves grace without discipleship Costly grace is the gospel which must be sought again and again the gift which must be asked for the door at which a man must knock It is costly because it costs a man his life and it is grace because it gives a man the only true life *The Cost of Discipleship* is a compelling statement of the demands of sacrifice and ethical consistency from a man whose life and thought were exemplary articulations of a new type of leadership inspired by the Gospel and imbued with the spirit of Christian humanism and a creative sense of civic duty Money Sex and Power Study Guide Richard J. Today we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well liked, and still others as being happy. How does God define success? He defines it as being spiritually mature. How do we become spiritually mature? There's only one way, and it's called discipleship. However, statistics show that discipleship is in a state of crisis today. Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity. A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church. Sadly, what discipleship meant in the time of Christ and what it means today is vastly different. Moreover, the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it. Unlike the disciples who had much of Scripture memorized, a whopping 81% of Christians today don't read their Bibles regularly. Unlike Christ's disciples who were Fishers of Men, 61% of believers today have not shared their faith in the past six months. And sadly, unlike Christ and the Apostles who made discipleship the central focus of their ministries, 81% of pastors today have no regular discipleship programs in their churches. Discipleship is being neglected today, and the consequences are crippling many Christians and churches. This book hopes to change that. Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode. Chapter 2 reveals 13 key factors contributing to the lack of discipleship today. Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry. Chapter 4 brings to light 14 essential components of the discipleship-making process that must be understood and practiced in order to attain spiritual maturity. Chapter 5 provides practical how-to help for growing in Christ. It includes self-assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands-on useful ideas for taking steps toward spiritual maturity. Discipleship is a command for all believers and is our highest calling. This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ. It's both an informative book and a how-to book. It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity. So, are you ready to grow? Would you like to be pleasing to God? Would you like to fulfill the reason for which you've been created? Would you like the full blessings of God in your life? Would you like to become spiritually mature? Would you like to hear Christ's words, "Well done, good and faithful servant," when you arrive in heaven? If so, this book is for you.

Bonhoeffer's Ethic of Discipleship Kenneth Earl Morris, 1986. This is the first book to focus on the ethic that Dietrich Bonhoeffer constructed during the 1930s, an ethic he crafted while playing a key role in Christian resistance to Nazism and an ethic still inspiring politically active Christians. The ethic of discipleship this study argues represents a reworking of the Christian faith so that it becomes actively opposed to totalitarianism. This book therefore adds a significant dimension to the

published record concerning the German theologian and pastor executed in 1945 for conspiring to assassinate Hitler and overthrow the Third Reich Since an ethic reflects more than a cognitive assent and has emotional and experiential dimensions the author's approach is socio psychological drawing on the large documentary record of Bonhoeffer's family relations Reductionism however is rejected in this book which gives social psychology parity but not superiority in understanding Bonhoeffer's religious quest and political dialogue Bonhoeffer's the Cost of Discipleship Greg Ligon, 1999-01-01 Shepherd's Notes Christian Classics Series is designed to give readers a quick step by step overview of some of the enduring treasures of the Christian faith They are designed to be used along side the classic itself either in individual study or in a study group The faithful of all generations have found spiritual nourishment in the Scriptures and in the works of Christians of earlier generations Martin Luther and John Calvin would not have become who they were apart from their reading Augustine God used the writings of Martin Luther to move John Wesley from a religion of dead works to an experience at Aldersgate in which his heart was strangely warmed Shepherd's Notes will give pastors laypersons and students access to some of the treasures of Christian faith **Bonhoeffer's Seminary Vision** Paul R. House, 2015-04-16 Dietrich Bonhoeffer is best known for his role in a plot to assassinate Adolf Hitler and his subsequent execution at the hands of the Nazis However readers are less familiar with his tireless work educating seminary students for a life of pastoral ministry Anchored in a variety of influential lectures personal letters and major works such as *The Cost of Discipleship* this book attempts to recover a largely unexamined part of Bonhoeffer's life exploring his philosophy and practice of theological education in his original context It then builds on this foundation to address the drift toward increasingly impersonal educational models in our own day affirming the value of personal face to face seminary education for the health of pastors and churches *The Princeton Seminary Bulletin* Princeton Theological Seminary, 2004 No 1 of each vol is the academic catalog of the Seminary 1907 76 *Crucible of Hope*, 1984
