**Digital Degrowth** Michael Kwet, 2024-08-20 A fascinating book that takes degrowth in new directions Jason Hickel author of Less is More A must read for anyone who wants to know the brutal truth of digital colonialism driven by the American empire Kohei Saito author of Slow Down The world is racing toward an irreversible ecological catastrophe Environmental science makes clear that humans must reduce total material resource use requiring a radical redistribution of wealth within and between countries Yet little attention has been paid to how the digital economy fits into this equation Michael Kwet a leading expert on digital colonialism presents a new paradigm for the digital society Merging the science of degrowth with a global analysis of the high tech economy he argues that digital capitalism and colonialism must be abolished quickly In Digital Degrowth Kwet maps out a path to a

people's tech future He calls for direct action against Silicon Valley US imperialism and power elites everywhere in order to realize a radically egalitarian digital society that fosters equality in harmony with nature      **Film Review** ,2006
