The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces, 1910 **Navigating Modern Digital Communication Ethics and Law**, Kalafat Çat, Arzu, Yetgin, Muhammed Ali, Sarker, Jahidul Islam, 2025-07-31 Navigating modern digital communication ethics and law becomes more complex as technology evolves. The rise of social media, direct messaging and digital content creation creates new ethical challenges and legal considerations around privacy, misinformation, intellectual property and online conduct. Individuals and organizations must now balance the benefits of instant global communication with the responsibilities of digital rights, transparency and legal standards. As digital platforms become central to personal, professional and political discourse, understanding the ethical and legal implications may foster trust, accountability and responsible digital citizenship.

Navigating Modern Digital Communication Ethics and Law explores new innovations and technological developments in the field of media and communication. It examines the ethical and legal implications of digital integration in communications industries. This book covers topics such as online platforms, big data and social media, and is a useful resource for media and communications professionals, business owners, educators, computer engineers, academicians, researchers and scientists.
