**The Zero-Cost PR Playbook** Aashish Bhattarai, 2025-07-03 Most entrepreneurs believe they need expensive PR agencies to get media coverage. This book proves otherwise. The Zero Cost PR Playbook is a practical guide based on real world experience, helping over 500 entrepreneurs get featured in major publications without traditional PR support. Written by digital strategist Anil Bhattarai, this book breaks down the exact process of getting media coverage into simple, repeatable steps. What You'll Learn: Understanding Modern Media, How journalists actually find and choose stories, Why email pitches work better than press releases, Building credibility when starting from zero, The Outreach Process, Writing emails that journalists actually read, Finding the right contacts without expensive databases, Creating different angles from your existing story, Getting Published, Building relationships before pitching, Handling interviews with confidence, Following up without being annoying, Making It Count, Turning one feature into multiple opportunities, Tracking which efforts generate results, Building long term media relationships, What's Inside: Email templates based on 500 successful pitches, Step by step journalist research methods, A 90 day action plan with daily tasks, Tracking spreadsheets for measuring results, Industry specific strategies that work, Common mistakes and how to avoid them, Who This Book Helps: Small business owners who can't afford PR agencies, Entrepreneurs seeking visibility for their startups, Consultants and coaches building their reputation, International professionals facing language or location barriers, Anyone with a story worth sharing but unsure how to get coverage. A Different Approach: This isn't a book about PR theory or corporate communications. It's a practical manual based on helping real businesses get real coverage. Every strategy has been tested across different industries, countries, and business sizes. The focus is on what actually works: direct outreach to journalists, valuable story angles, and systematic follow up. No jargon, no complicated frameworks, just actionable steps you can implement immediately.
