 designed to focus on practical reading comprehension skills It features fun and interesting stories that are both fiction and  
 non fiction It also includes stories with dialogue to provide well rounded access to all types of reading situations This series  
 presents a unique approach to building not only reading comprehension skills but also language usage skills Each Unit  
 presents an image with a story From the story 10 vocabulary words are pulled so that the student can learn more about that  
 word and its use The words are all in the same conjugation as used in the story Students will define each word and its part of  
 speech Then they will use the vocabulary word in a new sentence to further their understanding of the tense and usage After  
 the vocabulary has been addressed it is time for the student to answer comprehension questions about the story Having a  
 better understanding of the vocabulary will allow the students to activate their recall of what they have read To further the  
 student's comprehension they will be challenged to make predictions on the content they have read and then continue the  
 story in a creative writing exercise By making predictions the students can demonstrate their true understanding of the story  
 and by continuing the story on their own they can further practice their writing skills Key Features Fun and interesting  
 stories with black and white pictures Various activities to reinforce the student's comprehension of the story Functional  
 development of vocabulary and its use Prediction based exercises to further demonstrate the student's comprehension
