Saving New Sounds Jeremy Wade Morris,Eric Hoyt,2021-07-19 Over seventy five million Americans listen to podcasts every month and the average weekly listener spends over six hours tuning into podcasts from the more than thirty million podcast episodes currently available Yet despite the excitement over podcasting the sounds of podcasting s nascent history are vulnerable and they remain mystifyingly difficult to research and preserve Podcast feeds end abruptly cease to be maintained or become housed in proprietary databases which are difficult to search with any rigor Podcasts might seem to be highly available everywhere but it s necessary to preserve and analyze these resources now or scholars will find themselves writing researching and thinking about a past they can t fully see or hear This collection gathers the expertise of leading and emerging scholars in podcasting and digital audio in order to take stock of podcasting s recent history and imagine future directions for the format Essays trace some of the less amplified histories of the format and offer discussions of some of the hurdles podcasting faces nearly twenty years into its existence Using their experiences building and using the PodcastRE database one of the largest publicly accessible databases for searching and researching podcasts the volume editors and contributors reflect on how they as media historians and cultural researchers can best preserve podcasting s booming audio cultures and the countless voices and perspectives podcasting adds to our collective soundscape **The Railway Times ...**

,1883 **The Case for Good Jobs** Zeynep Ton,2023-06-06 Named one of the Best Business Books of 2023 by the Financial Times Thinkers50 2023 Winner Talent Award From MIT professor and pre eminent voice on Good Jobs comes a leadership guide for choosing excellence and providing good jobs that offer a living wage dignity and opportunities for growth From healthcare facilities to call centers fulfillment centers to factories and restaurants to retail stores companies are struggling to find or keep workers because the jobs they offer are low paying stressful and provide little chance for growth and success Workers want good jobs and many leaders want to provide them But they don t think they can offer higher pay and more motivating work without hurting the bottom line Most business leaders want to win with customers but their companies are hobbled by a host of service and operational problems largely driven by high employee turnover turnover that s partly driven by low pay It is indeed a vicious cycle and Zeynep Ton is here to show you the way out why good jobs combined with strong operations lead to higher productivity and increased competitiveness for the business And why more than ever in a world with tight labor markets failing to provide good jobs will catch up with you and threaten your business As the leading scholar on good jobs and president of the Good Jobs Institute Ton has helped executives at many companies implement a good jobs system With expertise drawn from spending time on the front lines with workers and their managers she knows what s

keeping most companies mired in mediocrity and how implementing a good jobs system makes them more competitive more resilient and more likely to attract and retain loyal customers and dedicated employees Practical prescriptive and often provocative The Case for Good Jobs is essential reading for company leaders who want to who need to choose excellence
