Run Run Runaway Dahlia Rose ,2024-04-06 I can t go through with this Lux Copper couldn t go through with it marrying Mario Blevins and becoming a part of his snobbish family just weeks before Christmas He was okay but their families push them together for some kind of alignment of fortunes or whatever As she walked up the aisle her mind raced searching for an escape route Lux locked eyes with Hudson Falk at the back of the chapel her best friend In that instant he extended his hand to her Without a second thought Lux turned and ran to him amidst shocked gasps and her father s angry voice Little did she know taking Hudson s hand would lead to more than she could have ever anticipated making for a Christmas people could only dream of Hudson Falk had fallen for Lux Cooper from the moment they met Playing the role of her best friend had been a challenge especially when her father announced her engagement He didn t fit into their refined

wealthy social circles they would be in awe of his secret he was the son of a Norse winter god in a human world Those secrets were never meant to be revealed until now and only to Lux Taking her hand and fleeing from the chapel with her presented him with a once in a lifetime opportunity Their impromptu escape led to unexpected turns Let s run away to Norway Yes Let s get drunk and get married Okay neither of them had anticipated that I m actually a Norse god and I do mystical things Lux looked skeptical until he showed her his true life Now that Hudson had Lux he had no intention of letting her go After all he was a Viking and love was their expertise Beneath the enchanting Northern Lights for Christmas in a glass igloo nestled in the snow Hudson would show Lux how his kisses could warm her and how his love held no expectations except enduring beyond a lifetime just for her

A Touch that Awakens the Soul Melissa S Williams,2025-07-14 In a quiet coastal town brushed by wind and memory Eylli Q returns to a weathered cottage seeking refuge from the noise of her past Her heart once bright with dreams now yearns for stillness and a place to begin again What she doesn t expect is Rhys Everhart the debonair carpenter with music in his hands and solitude in his soul Their connection unfolds slowly like the first chords of a forgotten song tentative tender and deeply moving As melodies rise from old instruments and unspoken feelings surface through moments of shared silence trust begins to grow and creativity gently returns Together they begin to heal not only from what life once took from them but from what they had forgotten they were still capable of giving With each passing day they discover that love doesn t ask for perfection it simply asks for presence and sometimes it s the softest touch that stirs and awakens the soul Eylli and Rhys come to realize that love doesn t always announce itself There are moments found in the rhythm of small gestures in the warmth of a lingering touch and in the silent promise of someone who chooses to stay
