Meet me in Silence Enashree Chakraborty, 2023-10-15 If you enjoyed the essence of The Godfather 365 days or even the big romantic moments of Fifty Shades then you are going to love Meet me in Silence At a glance it may seem like the age old story of an innocent girl being kidnapped by the mafia but what if she is not so innocent and he is not just a mafia ring leader Alexander stood there firmly gripping the door knob Do you like it he seemed awfully cheerful his face broadened into a big smile and his eyebrows dancing playfully As he entered the room I noticed two men in suits standing outside I made it exactly to your taste Bella Did I get it wrong I backed away as my breath caught in my lungs Where am I Alexander Oh My bad He grinned sheepishly Estas en mi casa mi amor He spoke in a flawless Spanish accent Wh my breath hitched and my voice almost disappeared Why It came out almost a coarse moan He tilted his head and sized me with cynicism The sun was almost up and I could see his face clearly in the light streaming in from the large glass windows He had that expression again Victory I told you Andrea you are mine Where else would you be if not here Alex I I don t I want to go home You are home My home Our home This is where you will stay Andrea His tone was decisive not commanding but informing like it was obvious I took a deep breath to steady my nerves No I won t His eyes glinted in the early morning light as he stood there studying me I tried to gather my strength and dashed towards the door but his fingers clasped firmly around my wrist and pulled me back with such force that I flew straight onto the soft bed again He took two quick steps and lunged onto the bed his arms and feet planted around my body but not touching me His mouth was twitching angrily but I could see that he was trying not to hurt me I told you this is where you will stay And you will learn to obey me bella Don t think for a second that I will not punish you for defying me like this I bit my lower lip to keep my tears in as I shook quite visibly on the bed He stopped hovering and sat up facing me Don t cry bella It hurts me I am trying not to Alex my voice was but a whisper what do you want from me He looked at me with that stone cold expression again I want you to learn Andrea So that I am not tempted to punish you A small sound escaped my throat before I could stop it Punish me He just smirked A traitor tear ran down my cheek as uncontrollable fear gripped my system How long will you keep me here

Well that depends on you The faster you learn to obey the faster you get to leave this room He chuckled inwardly but I didn't miss it Who knows if you stop being so damn defiant I might even let you walk out of this house someday He hopped off the bed and straightened himself up For now I suggest you take a shower and get changed I will see you in exactly 20 minutes for breakfast With that he turned on his heel and walked out before I could ask anything else I distinctly heard a key turn into the lock and a sharp click Did he just lock me in here Oh God Please let this be a very bad dream Meet me in Silence is a unique tale of a powerful man ruling over the 7 seas while fighting a demon of his own When he meets a woman at a nightclub he is unsure of what force pulls him towards her He cannot let her go What will she do How is she supposed to escape More importantly will she want to once the force takes over her heart as well Find out in the first installment of The Devil in I series

Love Across Lifetimes Debby Ng, 2020-08-27 I'll Always Find You

This story is about love, a love that lasts through different lifetimes. The main character, Raphaela, grows up in a dysfunctional family on the beautiful north shore of Oahu, Hawaii. She grows up with a love for horses, especially her own, feeling as though there is a lack of love in her home. Even though she leaves home at seventeen for Waikiki, she never loses her love for horses and riding. She eventually finds her way back to horses and encounters a cowboy that touches her soul. She realizes through past life meditation that she has had previous lifetimes with this cowboy and is brought back to him again and again. There are always obstacles, and this time she finds out the obstacle is his marriage. This is a huge conflict for Raphaela, and she has great difficulty pulling herself away from this man. After feeling confident in the idea they will have another lifetime together, she is able to pull herself away, however, not without great pain experienced by all involved. This novel includes love, loss, passion, and pain set against the beauty of Oahu. It includes a poem or quote at the beginning of every chapter, and most of the novel is written in first person. The theme centers on the idea that love is never easy and has many obstacles, some that will take more than one lifetime to overcome.
