is a Siren exclusive author *Stepbrother Alpha's Baby* Lauren Landish, 2015-04-01 I've always had a crush on my ridiculously handsome stepbrother Stefan. Since we were little, he's always been there at my side. We've played together, laughed together, and even cried together. But it was when we got older and I started noticing boys that our relationship really turned weird. Anytime he was near, I found myself filled with sinful thoughts, and when he touched me, it felt like I would burst into flames. Soon, just being in his presence became too much to bear. I started avoiding him at all costs, and when I did encounter Stefan, I would act like a cold-hearted bitch to him so he would never suspect my true feelings. But sometimes the things you hide have a way of coming to light when you least expect them. **Alpha's Baby** Lauren Landish, 2017-02-28 One hot night and an unplanned pregnancy.
