Beauty from Ashes ,Todd,Mandy Davenport,2022-11-03 Sometimes life throws us an unimaginable circumstance that seems insurmountable How we handle these monumental occurrences will not only shape the future of our lives but those around us whom we care the most about When infidelity entered our marriage not once but twice we found ourselves facing many decisions that no one can ever be prepared to make We were standing at the base of a massive mountain that we either had to climb knowing that we could fail or just quit and turn away from the precipice Do we stay together If we do how do we start Where do we start Do we separate or divorce How does that life look Will the kids be okay What about finances All these questions had to be answered all while dealing with feelings of isolation pain confusion and depression While the task of transforming as people and spouses under these circumstances is daunting and terrifying evolution growth and success are not only possible but likely if you are willing to lay down everything and put in the selfless work that is required In Beauty from Ashes we walk through our highs and lows as well as the steps we took to heal our marriage and family If we can be successful so can you Our prayer in writing this book is for people to see that recovery is possible and to spark some hope in the lives of those who are preparing to make the journey to healing
