Stewardship Campaigns For Churches:

The Church Money Manual Dr. J. Clif Christopher, 2014-07-15 The Church Money Manual is the most up to date and easy to use handbook for churches seeking better ways to manage finances Brief and straightforward chapters each focus on a specific problem or issue The book covers topics of day to day operation and the perennially critical themes related to church money management and stewardship Some examples include Planned giving and endowment funds Strategies to increase end of year giving First steps for the newly appointed pastor Pastors knowledge of donors and giving in their church Timing of building projects and capital campaigns Special offerings Selecting members for the finance committee What to do when giving is down Preaching about tithing

Passion-Driven Giving Gregory Tyree, 2013-08-31 Passion Driven Giving is based on the assumption that God's people will give to God's work This is a resource that will help pastors and lay leaders move their churches to greater commitment and consistent giving so that God's work His passions may be fulfilled Passion Driven Giving is a campaign built around the concept of Stewardship Month I have used this model in three churches for almost two decades and it works Since I deal extensively and meaningfully with stewardship for four or five weeks out of the year I do not have to constantly deal with money from the pulpit all the time Passion Driven Giving is a field tested resource It actually works The key to its success like most programs and campaigns is its application Generally the campaign should be followed verbatim That is all of the mail outs should be done all of the posters should be posted all of the sermons should be preached all of the Sunday School classes should participate etc Passion Driven Giving is also a reusable resource If Stewardship Month is an annual campaign this resource can be tweaked revised and enhanced to work for you for years to come And by purchasing this resource once you have the right to copy it as many times as you like One of the most important factors about Passion Driven Giving is that it involves everyone Sunday School teachers children lay people leaders staff everyone gets to be in on the action If the resource is used well it will work Remember people don't plan to fail they fail to plan So plan your work and work your plan and God will take care of the rest Be passion driven Be purpose driven Watch your ministry grow through Passion Driven Giving

Whose Offering Plate Is It? Dr. J. Clif Christopher, 2010-10-01 In *Not Your Parents' Offering Plate* Clif Christopher challenged churches and pastors to take a lesson from the leaders of not for profit organizations if you want people to give to your church first offer them a compelling vision of the good that their giving will accomplish The book encouraged an entire culture change for many in the Christian community in how they viewed the offering plate It also unleashed a barrage of questions on specifically how to create this new culture while maintaining the foundations of one's faith tradition and mission In this sequel Christopher responds to these questions in the same forthright manner that he originally laid forth his propositions He offers simple strategic advice on such difficult questions as Exactly how do I go about gaining access to the donor records when my church has prohibited it for a hundred years How do I explain a meeting with just those who are strong givers without alienating those who are not How can we advocate online giving without encouraging some to abuse their credit cards What should letters to different giving constituencies look like

Not Your Parents' Offering Plate J. significance In this book Christopher lays out the main reasons for this failure to capture the imagination of potential givers including our frequent failure simply to ask Written with the needs of pastors and stewardship teams in mind Not Your Parents Offering Plate provides immediate practical guidance to all who seek to help God s people be better stewards of their resources *A Manual for Stewardship Development Programs in the Congregation* Lonnie Schreiber, Thomas Gossen, 1998-08 This practical manual guides churches through a year long stewardship program Covers the fundamentals of building a successful program from teaching Christian stewardship to hosting creative successful commitment events Filled with useful advice and how to sections on topics ranging from recruiting and training leaders to charting progress Offers a complete overview of The Joyful Giving Program for stewardship
