Stewardship Themes For Churches:

The Steward Douglas John Hall,2004-07-21 The biblical image of the steward is highly provocative and even revolutionary In recent years environmentalists and peace marchers have been discovering the radical potential of the stewardship motif while the church sadly has muffled this symbol s power in ecclesiastical wrappings So writes Douglas John Hall in the first edition of The Steward 1982 This provocative book has been so much in demand all over the world that Hall has completely rewritten revised and expanded his work adding new material and deleting dated references Yet Hall has kept his original book s basic format the same in this new and improved edition In short Hall aims to recapture the most basic meaning of the biblical metaphor of the steward and to apply that meaning to our social context one in which human beings are confused and ambivalent about their place and vocation in a threatened world Working from numerous angles biblical historical sociological theological and ecclesiastical Hall explores the rich meaning and implications of stewardship Scripture portrays the steward as a caretaker and servant Hall compares scriptural teaching on stewardship concentrated in Jesus parables with the role of stewardship in the church s history maintaining that ever since the fourth century the church s understanding and practice of stewardship have been distorted by its alliance with institutional power Hall also puts forth apocalyptic warnings about the fate of the earth unless we heed the call to be stewards of the creation work for world peace and justice and nurture life in its many forms The church around the world says Hall urgently needs to live as steward it is a matter of death and life

Plain Talk about Churches and Money Dean Hoge,Patrick McNamara,Charles Zech,1998-11-01 Based on extensive research this volume offers insight and help on the key fiscal topics confronting church leaders today including Why is the church so uneasy with the topic of money Is there a difference between stewardship and fundraising How can we motivate giving Should we invest church funds It tackles the resistance fears and difficulties about money common in congregations The book is must reading for lay leaders and anyone in pastoral ministry today

Research in the Social Scientific Study of Religion, Volume 7 ,2021-11-22 The purpose of this book is to provide an outlet for original research articles examining the role and value of religious and spiritual constructs across the social sciences The aim of the series is to include an international and interfaith voice to this research dialogue An effort is made to be interdisciplinary and academically eclectic The articles in each volume represent a wide array of perspectives and research projects Most of the articles report the findings of quantitative or qualitative investigations but some deal with methodology theory or applications of social science studies in the field of religion and some are applied demonstrating the relevance of the social sciences to religious organizations and their clergy The value of the volume is that it gives to researchers in this area a broad perspective on the issues and methods of religious research across a spectrum of academic disciplines The aim

of the book is to stimulate a creative integrative dialogue that will enhance interdisciplinary research

Growing an Engaged Church Albert L. Winseman,2007-03-28 Growing an Engaged Church offers unique research based often counterintuitive solutions to the challenges facing churches today including declining congregant participation decreasing contributions and slumping membership Ministers priests and church boards will find the evidence and answers in this book provocative eye opening and most importantly actionable What if members of your congregation were 13 times more likely to have invited someone to participate in your church in the past month were three times as satisfied with their lives spent more than two hours per week serving and helping others in their community tripled their giving to your church What would your church your parish look like And how would you go about creating this kind of change One thing is certain Church leaders are never going to inspire more people to be actively and passionately involved in their congregations by doing the same things over and over again Pastors and lay leaders need something fresh Something new The last thing they need is just another program or to set up a laundry list of new activities for members Based on solid research by The Gallup Organization Growing an Engaged Church will appeal to both Protestant and Catholic clergy and lay leaders who are looking for a way to be the Church instead of just doing church
