Overstrike C M Angus, 2020-02-14 When Matt Howard's grandfather told him he must alter history to protect his newborn son Matt thought the old man was crazy. Then he realised it was true. Overstrike spans 4 generations of a family haunted by the prospect of an approaching alternate reality where their child has been erased from history. Touching on themes of retro causality ethics and free will and exploring ideas of cause effect and retribution it follows the path of Matt Howard whose child Ethan is at risk as he his father and grandfather attempt to use their own abilities to manipulate reality in order to discover and prevent whoever is threatening Ethan. This is volume I of Fixpoint a trilogy about a family who discover their inherited ability to manipulate reality. It enables them to effect changes in order to safeguard themselves and all that they hold dear. But even seemingly small changes in a timeline can have unforeseen and far reaching consequences.

Follow the stories of the Howards on a journey exploring reality time and our own sense of self **A Babe in Ghostland**

Lisa Cach, 2006-12-26 Megan Barrows has retired from a brief career as a ghostbusting psychic and now uses her sixth sense to fill her Seattle antiques store with objects with happy pasts. After once nearly having the soul sucked out of her by a malevolent spirit she prefers a quiet life. Case Lambert is a real estate prospector who restores old houses then sells them for profit. He has just bought a dilapidated mansion so amazing that he wants to keep it for himself but the house appears to be haunted. Seriously haunted. A few inquiries lead him to Megan Barrows. Megan at first refuses to help but Case is a master of persuasion. Moving into the mansion they discover that one of the ghosts has a thing for Case and there may be even more amorous spirits inside this veritable paranormal vortex. But it soon becomes clear that no one dead or alive can stop Megan and Case from ending up in each other's arms **The Best American Short Stories ... and the Yearbook of the American Short Story**, 1926 **Black Rhino** Michael Diaz, 2006-12

Two men from different worlds collide with each other in the wilds of Africa in an epic struggle for survival. One a product of western civilization a proud American warrior who had come of age in the horrors of war the other a son of Allah one that thought nothing of human life a greedy poacher slaver and pirate. In a desperate race against time Brent Morrow ex Green Beret is thrust into a world of blood and dark smoke as he searches for the woman he loves risking everything to find her in the wilderness of Africa thirsting for revenge against the man responsible for her abduction. They were warriors destined to find each other in a duel to the death and for the possession of a beautiful woman **Volume 7: Short Plays & Sketches** Vijay Padaki, The principle of economy of force applies even at the stage of conceiving a play. Many good ideas can be put across on the stage in a short play or a one act

play They need not be put on the rack and stretched to a full length script It is cruelty to the audience This is the reason so many full length plays in English in India are bright and attractive in the first half an hour and run out of steam after the intermission Not surprisingly many movie scripts are the same We have avoided the label one act plays preferring to call this compilation short plays One act plays had a historical context in the West and served that context well The context is different today especially in countries like India where the ecosystem of theatre performances makes its own demands on the performers The short play has a legitimate place here A one act play will qualify as a short play but not all short plays are one act plays And then there are the sketches How does one define a sketch Theatre folks have not found a satisfactory definition yet The last sketch in this Volume Ringaling has no spoken word It is done entirely with moves and sound effects a wide variety of ring tones of mobile phones **Atlantic Monthly** ,1912 **The Books of the Five: Eleanor, Will (Books 1,2)**

S F Burgess,2015-01-10 Begin your journey with the Boxset of the first two Books of the Five The Books of the Five Eleanor Book 1 Most people s lives begin with their births mine began with my death In the final moments of her life the enigmatic Conlan drags Eleanor from her world and into his Mydren a vast majestic land where myths have substance magic is terrifyingly real and Eleanor is marked for death Reborn as an Avatar the living incarnation of an ancient magic Eleanor must think fast and act faster if she wishes to survive This new life comes with a price Conlan has a vital and dangerous mission to undertake Eleanor must learn to control her newfound abilities and cope with a host of dangers both mystical and natural while helping her fellow Avatars to master their own talents so they can get the connection between them working Can she make The Five a force to be reckoned with Will their deadly enemies destroy them Can Eleanor overcome her own fears and find the courage she needs to reach Conlan and release him from his dark secrets The adventure of the Five continues with Will The Books of the Five Will Book 2 Often the scars that grieve us the most are the ones we carry deep inside Hammered with determination and paid for in blood the connection that binds Will to Conlan and his fellow Avatars has finally been forged and the Five are beginning to discover the extent of their staggering potential Now these living embodiments of elemental magic pose a threat that the despotic Lords of Mydren cannot ignore With all the resources at their disposal the hunt for the Five has begun in earnest With Conlan s army growing the time has come for them to cease fleeing and begin their battle for the heart and soul of Mydren Yet for Will there is only one goal to see Conlan crowned king thus securing the future of those he loves The task of guiding Conlan and his comrades through the oncoming battles will require every last ounce of Will s guile but he has secrets of his own that threaten everything the united powers of the Five represent With time running out does Will have the strength to face the encroaching darkness alone **Young Oologist** ,1921 Health for Power Bay Edwin Anthony,2013-05-22 Renew and rebuild your health to attain strength and power training for men and women Training develops and strengthens latent abilities of the human body to restore itself Regular exercises improve health and performance develop comprehensive personality enhance intuition and help make the right decisions in life
