**Pay the People!** John Driscoll,Morris Pearl,The Patriotic

Millionaires,2024-12-03 From an unlikely source a compelling argument that when workers are paid fairly everyone including businesses benefits I m not any more altruistic than the next guy I m just greedy for a different kind of country than most other rich people I want to be a rich man in a rich country Morris Pearl board chair of the Patriotic Millionaires and former BlackRock executive Seventy percent of the U S economy is based on consumer demand but almost 40 percent of Americans make less than the cost of living Nearly all the economic gains made in the last several decades have gone to the top 1 percent and Wall Street while working families whose spending habits drive the economy have fallen further behind and our economy has suffered as a result In Pay the People two members of the top 1 percent John Driscoll former healthcare

CEO and current Walgreens executive and Morris Pearl a former BlackRock executive and board chair of the Patriotic Millionaires pin the blame squarely on short term corporate greed and policies of both government and employers that impose austerity on some of the hardest working employees and families They argue that business leaders refusal to pay wages that workers can live on and Congress s failure to raise the federal minimum wage trap millions of workers in cycles of poverty At the same time Driscoll and Pearl demonstrate these policies undermine the economy for all of us and threaten the foundation of democratic capitalism This highly illustrated data informed call for a major readjustment in our pay scale for workers at all levels from two individuals who profit mightily from the current imbalanced system presents a rebuke of modern American business practices and congressional paralysis But it also offers a road map forward with chapters describing what a reconfigured economy would look like In an issue that is too often covered as a zero sum game where there s a winner and a loser Driscoll and Pearl offer resounding evidence to the contrary **Kiplinger's Personal Finance**,2004-02 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics **Fodor's 2012 Walt Disney World** Fodor's Travel Publications, Inc,2011-09-27 Offers up to date coverage of every attraction in the theme parks and includes hotels and restaurants in all price ranges **Cue** ,1974 **Walt Disney World for Adults** Rita Aero,1997 Well organized and graphically lively this guide covers it all with insider tips up to the minute reviews of new attractions and smart strategies for seeing it all Also included are When to go charts coupons information on special events attraction ratings hotel reviews restaurant profiles transportation information parking tips and more **The Unofficial Guide to Walt Disney World 2007** Bob Sehlinger,2006-08-21 A Tourist s Best Friend Chicago Sun Times Indispensable The New York Times Companion podcast available on Frommers com Five Great Features and Benefits offered ONLY by The Unofficial Guide Exclusively patented field tested touring plans that save as much as four hours of standing in line in a single day Tips advice and opinions from hundreds of Walt Disney World guests in their own words Almost 250 hotels rated and ranked for quality and value including the top non Disney hotels for families A complete Dining Guide with ratings and reviews of all Walt Disney World restaurants plus extensive alternatives for dining deals outside the World Every attraction rated and ranked for each age group extensive objective head to head comparisons of the Disney and Universal theme parks Sample Rating Ride Name Soarin Appeal by age Preschool Grade school Teens Young adults Over 30 Seniors What it is Flight simulation ride Scope and scale Super headliner When to go First 30 minutes the park is open or use FASTPASS Special comments Entrance on the lower level of The Land pavilion May induce motion sickness 40 minimum height requirement switching off available see pages 266 268 Author s rating Exciting and mellow at the same time Not to be missed Duration of ride 4 minutes Loading speed Moderate This guide is a completely independent evaluation of Walt Disney World and has not been reviewed or approved by Walt Disney World or the Walt Disney Company Inc **Congressional Record** United States.
