 Paul Colley,2014-05-29 This book will arm and inspire you to transform your underwater photographs whatever camera you
 use Alex Mustard from the Foreword The best underwater images don t just capture the subject well they also capture mood
 emotion and atmosphere Unlike most other underwater photography books Winning Images with Any Underwater Camera
 focuses on composition and techniques rather than the all consuming camera technology that people tend to chase first This
 makes it a supremely cost effective tool for improving images and there is no discrimination between users of different
 camera systems this truly is a book for all International award winner and instructor Paul Colley reveals the short cuts and
 shows the vital bits of artistic theory as it applies to underwater photography grappling with composition in much greater
 depth than in other books He also includes easy to remember reference models for underwater composition pre planned
 concepts for twelve typical underwater scenes with the principal considerations boiled down to those essentials that will help
 you achieve great results time and again **The Complete Energy-saving Home Improvement Guide** Arco Publishing
