Unfounded Loyalty Wayne Perryman, 2004 Unfounded Loyalty offers a profound look at the influences that have shaped the cultural development of modern Black America. The book re-examines historic assumptions about the role of Christianity and the Democratic Party as supporters of civil rights and black voters. In an investigative style, Perryman reveals shocking events and deceptions which are part of America's untold history. Unfounded Loyalty is a compelling, well-researched and documented historical study.

**Aloha Compadre** Rudy P. Guevarra, 2023-07-14 Awarded honorable mention for the 2024 International Latino Book Awards in The Dolores Huerta Best Cultural Community Themed Book English category. Aloha Compadre Latinxs in Hawai'i is the first book to examine the collective history and contemporary experiences of the Latinx population of Hawai'i. This study reveals that contrary to popular discourse, Latinx migration to Hawai'i is not a recent event. In the national memory of the United States, for example, the Latinx population of Hawai'i is often portrayed as recent arrivals and not as long-term historical communities with a presence that precedes the formation of statehood itself. Historically speaking, Latinxs have been voyaging to the Hawaiian Islands for over one hundred and ninety years. From the early 1830s to the present, they continue to help shape Hawai'i's history, yet their contributions are often overlooked. Latinxs have been a part of the cultural landscape of Hawai'i prior to annexation, territorial status, and statehood in 1959. Aloha Compadre also explores the expanding boundaries of Latinx migration beyond the western hemisphere and into Oceania.

**Pedigree** Michael Harrison,2019-03-15 Killing a Colored Man s Pedigree is a provocative look at why it is neither cool nor an honor to be a baby mama As Harrison compellingly argues it does not take a village to raise a child it only takes two married parents This confrontational in depth look at the numbers documenting the increased poverty and violent crime blacks are experiencing is proof to Michael Harrison that black American s chickens have come home to roost and that black America is reaping what it has sown for decades Required reading for anyone who wants to understand the problems plaguing the black community Killing a Colored Man s Pedigree asks questions and provides answers about issues that are seldom if ever discussed because of political correctness Things you ll learn How the high unmarried birthrate among blacks relates to the poverty and crime that plague large parts of the black community and how as Harrison argues it may permanently destroy black culture in America Clinical and scientific research that explains the importance and presence of the alpha male role model which is woefully absent for the majority of young blacks How our culture at large both black and white tends to worship baby mamas and bad boy black actors sports stars musicians rappers and the like and how this utterly exacerbates the problem How modern culture encourages what Harrison terms a phony victim status in the black community which trickles down into poor white culture particularly among unwed black mothers How corrupt black politicians whose personal agendas far outweigh the greater good have taken over black leadership and are leading black America astray Practical solutions to these problems using education media and community outreach programs Harrison s dream of starting a national grass roots effort promoting greater personal responsibility which could reverse this self destructive trend and lead to a healthier black community and greater prosperity for all Ringing with passion anecdotes and a poignant plea for black America to do an all around better job of behaving itself and raising kids Harrison ultimately argues for greater responsibility as the answer to the pervasive problems facing the black community    The countess of Pembroke's Arcadia [abridged] with notes and intr. essay by H.Friswell Philip Sidney,1893    **The Modern Review** Ramananda Chatterjee,1919 Includes section Reviews and notices of books    The School Executive ,1928    **School Executives Magazine** ,1928    **The Heavenly Hound** Pingwa Jia,1991    **American Educational Digest** ,1928    *Country Guide and Nor'west Farmer* ,1911
