Globalizations and Social Movements John Guidry,Michael D. Kennedy,Mayer Zald,2009-11-16 Globalization is a set of processes that are weakening national boundaries Both transnational and local social movements develop to resist the processes of globalization migration economic interdependence global media coverage of events and issues and intergovernmental relations Globalization not only spurs the creation of social movements but affects the way many social movements are structured and work The essays in this volume illuminate how globalization is caught up in social movement processes and question the boundaries of social movement theory The book builds on the modern theory of social movements that focuses upon political process and opportunity resource mobilization and mobilization structure and the cultural framing of grievances utopias ideologies and options Some of the essays deal with the structure of international campaigns while others are focused upon conflicts and movements in less developed countries that have strong international components The fourteen essays are written by both well established senior scholars and younger scholars in anthropology political science sociology and history The essays cover a range of time periods and regions of the world This book is relevant for anyone interested in the politics and social change processes related to globalization as well as social movement theory Mayer Zald is Professor of Sociology University of Michigan Michael Kennedy is Vice Provost for International Programs Associate Professor of Sociology and Director of the Center for Russian and East European Affairs University of Michigan John Guidry is Assistant Professor of Political Science Augustana College **Zinky Boys: Soviet Voices from the Afghanistan War**

Svetlana Alexievich,2023-02-21 From the winner of the Nobel Prize for work that stands as a monument to suffering and courage in our time Swedish Academy Before the United States invasion a million Soviet troops fought a devastating war in Afghanistan that claimed 50 000 casualties and the youth and humanity of many tens of thousands more The Soviet Union talked about a peacekeeping mission while the dead were shipped back in zinc lined coffins In this new translation Zinky Boys weaves together the candid and affecting testimony of the officers and grunts doctors and nurses mothers sons and daughters who describe the war and its lasting effects A masterpiece of reportage Timothy Snyder New York Review of Books emerges of harrowing and unforgettable insight into war **The American Friend** ,1914 The Chinese Students'

Monthly ,1920 **The Western Honey Bee** ,1924 *The Independent* Leonard Bacon,Joseph Parrish Thompson,Richard Salter Storrs,Joshua Leavitt,Henry Ward Beecher,Theodore Tilton,Henry Chandler Bowen,William Hayes Ward,Hamilton Holt,Fabian Franklin,Harold de Wolf Fuller,Christian Archibald Herter,1917 Turnaround Time Oscar Munoz,Brian DeSplinter,2023-05-02 Wall Street Journal Bestseller Go behind the scenes with the CEO who led United Airlines remarkable turnaround Around the world and around the clock the people of United Airlines are locked in a struggle against time to

ensure your aircraft lands and takes off for another flight safely and efficiently This turnaround time is the heartbeat of an industry in which the margin for error is nil and success is measured by fractions of a second Turning around an aircraft and turning around an airline are very different challenges in most respects except one it takes a united team to perform it well In 2015 when Oscar Munoz took the helm of this iconic brand its culture was anything but united and its reputation was in free fall A merger with its onetime rival Continental had stalled operational and financial performance was badly trailing those of its competitors and the bonds of trust with shareholders customers and employees had reached a breaking point Setting out an ambitious plan to rejuvenate the company Oscar learned that there was nothing wrong at United that couldn't be fixed by championing what was right the employees themselves Meanwhile only a month into the job Oscar suffered a near fatal heart attack that set in motion a race against the clock to find a heart transplant to save his life even as he fought to salvage his vision for United's revival The health emergency might have been the end of the story until employees and union leaders rallied around Oscar inspiring him to pull through something he did within weeks following a successful procedure Oscar and the people he led both with new leases on life would go on to weather more turbulence overcoming battles with investors and navigating several PR crises including a global pandemic to deliver top tier operational performance strong returns to shareholders and ascending levels of customer satisfaction By the end of his tenure the people of United were finally flying together as one team defying pessimism from industry insiders and rekindling optimism from employees and the customers they served With candor humor and heartfelt wisdom Oscar reveals how he rose from humble immigrant origins to lead United Airlines through one of modern business's greatest corporate turnarounds He offers soulful much needed leadership lessons for today's world listening with empathy standing up for employees building durable cultures that are profitable because they're principled and advancing a vision for a genuinely inclusive economy for the future *Patriotic Eloquence* Robert Irving Fulton,1900 Anarchy ,1917 **Independent and Weekly Review** ,1917
