## **White Line Fever Lemmy:**

White Line Fever Lemmy Kilmister, 2012-06-08 The incredible true story of a rock legend Lemmy's name was synonymous with notorious excess his blood would have killed another human being This is the story of the heaviest drinking oversexed speed freak in the music business Updated after Lemmy's untimely death in 2016 White Line Fever offers a sometimes hilarious often outrageous highly entertaining ride with the frontman of what was the loudest rock band in history Motörhead stand firm as conquerors of the rock world their history spanned an incredible forty years and while the Motörhead line up saw many changes Lemmy was always the soul of the machine In the words of drummer Mikkey Dee Lemmy was Motörhead From playing with local bands in Wales his early career with the Rocking Vipers backstage touring with Hendrix and his time with Hawkwind to creating speed metal and forming the legendary band Motörhead this is the truly epic finale and tribute to Lemmy from those who loved him best

**White Line Fever: The Autobiography** Janiss Garza, Lemmy, 2003-12-30 The heaviest drinking most oversexed speed freak in the music business tells his story An emblem of rock n roll endurance The New York Times Ian Fraser Kilmister was born on Christmas Eve 1945 Learning from an early age that chicks really do appreciate a guy with a guitar and inspired by the music of Elvis and Buddy Holly Lemmy quickly outgrew his local bands in Wales choosing instead to head to Manchester to experience everything he could get his hands on And he never looked back Lemmy tripped through his early career with the Rocking Vipers backstage touring with Jimi Hendrix as a member of Opal Butterflies and Hawkwind In 1975 he went on to create speed metal and form the legendary band Motorhead During their long history they released over twenty albums were nominated for a Grammy and conquered the rock world with such songs as Ace of Spades Bomber and Overkill Throughout the creation of this impressive discography the Motorhead lineup has seen many changes but Lemmy was always firmly at the helm White Line Fever a headbanging tour of the excesses of a man being true to his music and his pleasures offers a sometimes hilarious often outrageous but always highly entertaining ride with the frontman of the loudest rock band in the world

**Hawkwind: Days of the Underground** Joe Banks, 2020-10-13 An account of the English rock band Hawkwind shows them to be one of the most innovative and culturally significant bands of the 1970s Fifty years on from when it first formed the English rock band Hawkwind continues to inspire devotion from fans around the world Its influence reaches across the spectrum of alternative music from psychedelia prog and punk through industrial electronica and stoner rock Hawkwind has been variously if erroneously positioned as the heir to both Pink Floyd and the Velvet Underground and as Britain's answer to the Grateful Dead and Krautrock It has defined a genre space rock while operating on a frequency that's uniquely its own Hawkwind offered a form of radical escapism and an alternative account of a strange new world for a generation of young people growing up on a planet that seemed to be teetering on the brink of destruction under threat from economic meltdown industrial unrest and political polarization While other commentators confidently asserted that the countercultural experiment of the 1960s was over Hawkwind took the

underground to the provinces and beyond In Days of the Underground Joe Banks repositions Hawkwind as one of the most innovative and culturally significant bands of the 1970s It s not an easy task As with many bands of this era a lazy narrative has built up around Hawkwind that doesn t do justice to the breadth of its ambition and achievements Banks gives the lie to the popular perception of Hawkwind as one long lysergic soap opera with Days of the Underground he shows us just how revolutionary Hawkwind was Hellraisers Axl Rosenberg,Christopher Krovatin,2017-10-24 Take a tour of the evil history of metal music with this massive jam packed era by era chronology *Cemetery Gates* Mick O'Shea,2014-07-01 Cemetery Gates takes you inside the minds of the most twisted icons of heavy metal including Ozzy Osbourne Axl Rose Nikki Sixx Trent Reznor Peter Steele Dimebag Darrell Cliff Burton Layne Staley and John Bonham Whatever their deadly sin these prodigiously talented musicians have all come dangerously close to the edge Cemetery Gates is the ultimate tribute to the stoical survivors who dragged themselves back from the abyss as well as the sainted icons who weren t so lucky The likes of Dio and Dimebag may be gone but this riotous epitaph to men who ve lived every day as if it was their last ensures they ll never be forgotten The Rejects Jamie Collinson,2024-02-22 Very readable the history of the late 20th century empire music business Bret Easton Ellis Imagine you ve made it You and your friends have hit the big time in music and you re going to be a star But then quite suddenly it s over Your best friends don t want you anymore and you re on the outside Perhaps they re tired of your bad habits they think you re not good enough or they sense you just don t want it as much as they do Whatever the cause you re a reject So what do you do next Featuring a player rejected by both Nirvana and Soundgarden who became a decorated special forces soldier Britpoppers who spiralled into addiction before becoming novelists and missionaries the terrifying story of Guns N Roses first drummer super rejecting band leaders self destroying rappers troubled hard rock bassists and girl band burnouts The Rejects takes an intimate thoughtful look at people who ve been kicked out of bands what they experienced and what came afterwards Coming from a writer with twenty years music industry experience The Rejects is a sympathetic study of some of music s most fascinating characters and what happens when the dream comes crashing to an end The result is a compelling alternative history of popular music *Hawkwind* Ian Abrahams,2004-07-30 Hawkwind s fusion of agit prop and improvised space rock including Lemmy and lyrics by Michael Moorcock made them intriguing outsiders in rock For over 30 years Hawkwind have successfully existed outside the traditional music business and spawned a fanatical fanbase This high quality authoritative biography contains dozens of new interviews with band members and over 100 rare illustrations many published for the first time With a cover designed by Hawkwind s own sleeve artist Peter Pracownik and full co operation of the all the key protagonists this authoritative high quality biography is the definitive account of one of the UK s most innovative bands *Sound of the Crowd: a Discography of the '80s (Fourth Edition)* Steve Binnie,2018-11-05 SOUND OF THE CROWD A DISCOGRAPHY OF THE 80s is the ultimate record collector s guide to the 1980s In the era of multi formatting picture discs coloured vinyl multiple remixes funny shaped records and tiny CDs you

could lose down the back of the sofa this book lists every format of every single EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts from ABBA to Paul Young This fourth edition has been fully revised and expanded to include even more acts than ever before with additional sections to cover Band Aid style charity congregations and compilation albums from the early 80s K Tel efforts through to the Now That's What I Call Music series and its competitors Compiled by Steve Binnie editor of the 80s music website Sound of the Crowd and writer producer and co host of the unconventional 80s chart show Off The Chart broadcast weekly on Mad Wasp Radio

**Flop Idol** Jonathan Maitland, 2003 On 1st May 2001 40 year old Jonathan Maitland decided to attempt to fulfil a lifetime's ambition To this effect he placed a 100 bet on himself with William Hill at 50 to 1 that he would have a No 1 hit single in the music charts by the end of 2002 The only thing standing in his way was a complete lack of natural musical talent This is the hilarious diary of his attempts to do just that As well as being very funny the tale of Jonathan and his heroically average band also provides a fascinating insight into the state of the British music industry Insiders such as Cliff Richard Bob Geldof the heads of A R at Polydor Sony among many others have given Jonathan the benefit of their full and very frank views

learned how to knit I was hit by the teacher whenever I did something wrong 2 I had a very fraught relationship with my stepfather because I was an only child and he was a newly married man with two children from his previous marriage I was constantly being bullied by his newly acquired siblings 3 My sexual education began when I was very young I grew up in a rural area and I would often find people going at it in the fields I grew up dancing and when the twist came in I gave that up because it offended me I needed to get close and warm 4 I was 14 when I started working at the riding school I was in love with Ann who was five years older than me I couldn't understand why she would go out with such an ugly guy But the funniest story involved a friend of mine named Tommy Lee
