## **Who Stole My Cheese:**

WHO MOVED MY CHEESE? for Kids Spencer Johnson,2003-05-12 Spencer Johnson's Who Moved My Cheese is a bestselling book that has helped millions of people around the world adapt and succeed in changing times. Now Dr. Johnson has adapted his story for the picture book audience so that starting from the earliest age, children can view change as a positive thing that can lead to new opportunity. Young readers will enjoy following the story of the four little characters Sniff, Scurry, Hem, and Haw who make their way through a maze looking for the Magical Cheese that makes them happy. And once they find the Cheese, it seems like it will last forever until one morning when everything changes. Who moved their Cheese? Will it come back? Or will they have to look for different Cheese venturing onto strange paths around corners they've never explored? As children follow these friends through the maze of change, they can try to figure out which character they're most like or which they most admire and what their own Magical Cheese might be.

**Who Moved My Cheese?** Spencer Johnson, 1998-09-08 THE 1 INTERNATIONAL BESTSELLER WITH OVER 28 MILLION COPIES IN PRINT A timeless business classic, Who Moved My Cheese uses a simple parable to reveal profound truths about dealing with change so that you can enjoy less stress and more success in your work and in your life. It would be all so easy if you had a map to the Maze. If the same old routines worked. If they'd just stop moving The Cheese. But things keep changing. Most people are fearful of change, both personal and professional, because they don't have any control over how or when it happens to them. Since change happens either to the individual or by the individual, Dr. Spencer Johnson, the coauthor of the multimillion bestseller The One Minute Manager, uses a deceptively simple story to show that when it comes to living in a rapidly changing world, what matters most is your attitude. Exploring a simple way to take the fear and anxiety out of managing the future, Who Moved My Cheese can help you discover how to anticipate, acknowledge, and accept change in order to have a positive impact on your job, your relationships, and every aspect of your life.
