**The Social Protests of 2020** Joyce A. Joyce, 2023-05-25 *The Social Protests of 2020* Visceral Responses to Police Brutality COVID 19 and Circumscribed Sexuality collects voices from various Black intellectuals university professors a scientist media communication specialist poets a visual artist and political activists to illustrate how the simultaneity of high profile political events in the summer of 2020 manifest in our consciousness at one time Reflecting the contributors honest visceral responses the chapters reveal the anguish sadness and motivation to act that each of them experienced in light of police brutality COVID 19 and the Supreme Court's handling of employment discrimination against LGBTQIA communities These voices address in carefully reflected and theoretically formed ways those universal feelings that level all human beings regardless of race ethnicity gender identity sexuality economic status and education

**The Twittering Machine** Richard Seymour, 2020-09-22 A brilliant probe into the political and psychological effects of our changing relationship with social media Former social media executives tell us that the system is an addiction machine We are users waiting for our next hit as we like comment and share We write to the machine as individuals but it responds by aggregating our fantasies desires and frailties into data and returning them to us as a commodity experience *The Twittering Machine* is an unflinching view into the calamities of digital life the circus of online trolling flourishing alt right subcultures pervasive corporate surveillance and the virtual data mines of Facebook and Google where we spend considerable portions of our free time In this polemical tour de force Richard Seymour shows how the digital world is changing the ways we speak write and think Through journalism psychoanalytic reflection and insights from users developers security experts and others Seymour probes the human side of the machine asking what we're getting out of it and what we're getting into Social media

held out the promise that we could make our own history to what extent did we choose the nightmare that it has become

**Social Media Communication** Jeremy Harris Lipschultz, 2023-07-18 This updated fourth edition presents a wide scale interdisciplinary guide to social media communication. Examining platforms like Facebook, Instagram, Snapchat, TikTok, Twitter, and YouTube, the book analyzes social media's use in journalism, public relations, advertising, and marketing. Lipschultz focuses on key concepts, best practices, data analyses, law, and ethics, all promoting the critical thinking that is needed to use new, evolving, and maturing networking tools effectively within social and mobile media spaces. Featuring historical markers and contemporary case studies, essays from some of the industry's leading social media innovators, and a comprehensive glossary, this practical, multipurpose textbook gives readers the resources they will need to both evaluate and utilize current and future forms of social media communication. Updates to the fourth edition include expanded discussion of disinformation, the impact of artificial intelligence, AI, natural language chatbots, virtual and augmented reality technologies, and the COVID-19 infodemic. Social Media Communication is the perfect social media primer for students and professionals, and with a dedicated online teaching guide ideal for instructors too.
