Lies, Rev C Jarrod Lies S T L, 2018-03 The Diocese of Wichita defines stewardship as the grateful response of a Christian disciple who recognizes and receives God's gifts and shares these gifts in love of God and neighbor Msgr Thomas McGread stated A stewardship way of life is a thanksgiving way of life living life as God intended it to be lived It's not a program It's a way of life And this is really the biggest mistake many people make The mistake referred to is reducing the idea of stewardship to financial development In the Diocese of Wichita the accent of stewardship is on gratitude for God's gifts not on methods of increased financial giving This accent includes subordinating stewardship to discipleship and making discipleship missionary in practice The goal of this book is to summarize and explain the purpose and meaning of stewardship as practiced in the Diocese of Wichita After an overview of its historical development within the diocese it will proceed through stewardship's scriptural magisterial and pastoral foundations and conclude with the identity and responsibilities of a steward Although the foundations of stewardship will be explained a detailed description of the process by which it is implemented within a parish is outside the scope of this book A further aim of this book is to elucidate the intrinsic relationship between stewardship discipleship and evangelization Finally it is hoped that persons more inclined to see stewardship in terms of finances will come to understand it more in terms akin to the apostolate as set forth in the

documents of Vatican II **Grateful Caretakers of God's Many Gifts** Joseph M. Champlin, 2002 The message of stewardship invites us to give our time talent and treasure in gratitude for our abundant blessings Fostering grateful caretakers in parishes is an ongoing task that requires vision courage and trust In *Grateful Caretakers of God's Many Gifts* the first major revision of Fr Joseph Champlin's ground breaking sacrificial giving program Father Champlin continues to encourage the sharing of treasure time and talent transforming parishioners into grateful caretakers of God's many gifts *Grateful Caretakers of God's Many Gifts* provides a theological and biblical basis for stewardship and gives detailed guidance for sharing time talent and treasure It also offers the history foundational principles and implementation steps for sacrificial giving a form of stewardship The manual likewise provides a wealth of material for sustaining and strengthening grateful caretaking in a parish on a long term basis Finally it offers practical suggestions on a number of special issues in stewardship including accountability annual renewals customized direct deposit of Sunday offerings planned giving and parish stewardship councils and training our youth to share Father Champlin shows that the sacrificial giving process effectively supports grateful caretakers of God's gifts people in the parish willing to share significantly their time talent and treasure for the Church and the world It has been proven in practice is biblically and theologically sound actively involves lay persons touches the hearts of parishioners is uncomplicated and inexpensive to implement produces impressive short term results and provides long term possibilities *Grateful Caretakers of God's Many Gifts* builds on Father Champlin's original sacrificial giving publications in both the theory and practice of how to motivate parishioners to become active stewards of their faith It has on going value for those concerned about fostering grateful caretaking in a parish *Estate Planning for Catholics* Christopher Reilly, 2012-08 With clear insight and a wealth of practical advice Christopher Reilly explains the teachings of the Catholic Church and assists Catholics regarding their personal choices about the distribution of their possessions to others The role of wealth and possessions in a Christ centered life is explored along with a strong emphasis on the virtue of charity Readers will come away with a better understanding of their faith and the information needed to work with an attorney in creating an effective plan for building a meaningful legacy *A Church on the Move* Joe Paprocki, 2016-01-28 2017 Catholic Press Association Book Awards Second Place Pastoral Ministry IF FORMER CATHOLICS WERE CONSIDERED A DENOMINATION IT WOULD BE THE SECOND LARGEST DENOMINATION IN THE U S from *A Church on the Move* Many statistics on the Catholic Church today are sobering and the future of the Church can seem bleak indeed The average parish often feels helpless to do anything that might help turn the tide and revitalize the Church But best selling author Joe Paprocki insists that there is good news with the right plans in place the Catholic Church and the local parish specifically will not only survive but thrive *A Church on the Move* offers 52 practical strategies for moving parishes forward principally by focusing on the one thing the Church can offer that the world at large cannot Jesus Christ Each chapter begins with a quote from Pope Francis and each helpful strategy falls within one of five key categories how a Church on the move thinks functions worships
