Spectrum Test Prep Grade. 8

Vincent Douglas, 1997-08 Prepares children to do their best on current editions of the five major standardized tests. Activities reinforce test taking skills through examples, tips and practice exercises. Builds test taking confidence by teaching and drilling the following skills: Listening, reading and understanding directions; Managing time; Eliminating answers; When and how to guess at answers; Using key words; Identifying testing patterns; Introducing testing language and conventions. Subjects include reading, math and language. Most titles have more than 150 pages. Answer key included.

Everyday Mathematics, 2004 This grade level specific handbook provides classroom tested techniques and ideas to make assessment and instruction more manageable, productive and exciting as well as offering a more complete picture of each student's progress and instructional needs through techniques and tools from the four assessment areas: ongoing, product, periodic and outside tests. The Assessment Handbook includes suggestions for observing students, keeping anecdotal records following student progress and encouraging students to reflect on and communicate both what they have learned and how they feel about mathematics.
