Tokens Rachel O'Dwyer, 2023-10-03 Longlisted for the FT Schrodgers Business Book of the Year Award 2023 A BEST BOOK OF THE YEAR GQ Los Angeles Times Wired Wherever you look money is being replaced by tokens Digital platforms are issuing new kinds of money like things phone credit shares gift vouchers game tokens customer data the list goes on But what does it mean when online platforms become the new banks What new types of control and discrimination emerge when money is tied to specific apps or actions politics or identities Tokens opens up this new and expanding world Exploring the history of extra monetary economies Rachel O Dwyer shows that private and grassroots tokens have always haunted the real economy But as the large tech platforms issue new money like instruments tokens are suddenly everywhere Amazon's Turk workers are getting paid in gift cards Online streamers trade in wishlists Foreign remittances are sent via phone credit Bitcoin gift cards NFTs customer data and game tokens are the new money in an evolving economy It is a development challenging the balance of power between online empires and the state Tokens may offer a flexible even subversive route to compensation But for the platforms themselves they can be a means of amassing frightening new powers An essential read for anyone concerned with digital money inequality and the future of the economy *Fintech Wars* James da Costa, 2024-10-03 Fintech touches every part of our lives from cashless economies to crypto and even our climate This book draws back the curtain on this fascinating world full of friction failure and fortune Fintech Wars delves into one of the world's most lucrative and fast growing sectors Witness the bold strategies groundbreaking innovations and relentless drive that propelled fintech unicorns like PayPal Nubank and Monzo to transform the world Featuring interviews with generational founders including Reid Hoffman LinkedIn Nigel Morris Capital One and Martha Lane Fox Lastminute.com the narrators of this book have built companies that represent over one trillion dollars in market capitalization As the founder of a digital bank James da Costa is a fintech insider He draws upon his network and first hand experiences to offer a fascinating look into the intricacies and motivations behind building billion dollar disruptors Step into the fascinating unpredictable and inspiring world of fintech *Last Night in San Francisco* Scott Alan Lucas, 2025-08-05 Bad Blood meets Burn Book in this exposé about tech icon Bob Lee and what his life and 2023 murder tell us about San Francisco in the Internet Age FOR FANS OF GOING INFINITE AND SUPER PUMPED Sex and drugs parties and violence genius coders and VC tycoons welcome to the rip roaring world of the American tech industry The full story of an industry a city and two men one who got everything he ever wanted one who never got what he thought he deserved and what happened the night it all came apart Like his many peers in the tech industry who had poured into San Francisco over the last two decades Bob Lee was remaking the world building the most familiar parts of our digital lives a lead innovator at one start up after another such as Google Android Square and CashApp When Lee was found stabbed to death one night on the streets of San Francisco the city's many critics knew exactly what it meant Just like they had been saying the city was violent dangerous and out of control San Francisco was so bent on

creating a liberal utopia that it was failing at its most basic tasks to keep its citizens safe It s a familiar story familiar and wrong Bob Lee was a man without limits and he had a recklessness that led to his triumphs as well as his downfall Digital Cultures, Lived Stories and Virtual Reality Thomas Maschio,2021-11-29 This book focuses on the meaning and experience of digital practice emerging from work in the world of business and drawing on recent anthropological thinking on digital culture Tom Maschio suggests that the digital is a space of a new story culture and considers the lived experience of new technologies The chapters cover storytelling in journalism and business with the new technology of virtual reality the emerging meanings of social media and community building in the digital space the uses and meanings of visual imagery online and the cultural meanings of smartphone technology use and the mobile life The book incorporates ideas from humanistic anthropology and phenomenology in order to bring business problems into alignment with human concerns and desires and to show the application of anthropological ideas to real world issues As well as anthropologists the book will be valuable to business students and professionals interested in the digital realm **The Routledge Handbook of FinTech** K. Thomas Liaw,2021-06-14 The Routledge Handbook of FinTech offers comprehensive coverage of the opportunities challenges and future trends of financial technology This handbook is a unique and in depth reference work It is organised in six thematic parts The first part outlines the development funding and the future trends The second focuses on blockchain technology applications and various aspects of cryptocurrencies The next covers FinTech in banking A significant element of FinTech mobile payments and online lending is included in the fourth part The fifth continues with several chapters covering other financial services while the last discusses ethics and regulatory issues These six parts represent the most significant and overarching themes of FinTech innovations This handbook will appeal to students established researchers seeking a single repository on the subject as well as policy makers and market professionals seeking convenient access to a one stop guide **The Venture Alchemists** Rob Lalka,2024-05-14 Gold Medalist 2025 Axiom Business Book Awards Business Ethics Future Trends category Shortlist 2024 Best in Business Book Awards Society for Advancing Business Editing and Writing We once idolized tech entrepreneurs for creating innovations that seemed like modern miracles Yet our faith has been shattered We now blame them for spreading lies breaking laws and causing chaos Yesterday s Silicon Valley darlings have become today s Big Tech villains Which is it Are they superheroes or scoundrels Or is it more complicated some blend of both In *The Venture Alchemists* Rob Lalka demystifies how tech entrepreneurs built empires that made trillions Meta started as a cruel Halloween prank Alphabet began as a master s thesis that warned against corporate deception and Palantir came from a campus controversy over hateful speech These largely forgotten origin stories show how ordinary fears and youthful ambitions shaped their ventures making each tech tale relatable both wonderfully and tragically human Readers learn about the adversities tech entrepreneurs overcame the troubling tradeoffs they made and the tremendous power they now wield Using leaked documents and previously unpublished archival material Lalka takes readers inside Big Tech s worst

exploitations and abuses alongside many good intentions and moral compromises But this story remains unfinished and The Venture Alchemists ultimately offers hope from the people who decades ago warned about the risks of the emerging Internet Their insights illuminate a path toward more responsible innovations so that technologies aren't dangerous weapons but valuable tools that ensure progress improve society and enhance our daily lives **Country Life** ,1907 **Vogue** ,1943

Let Them Stare Jonathan Van Ness,Julie Murphy,2025-05-20 An instant New York Times and Indie bestseller From Emmy Award winner Jonathan Van Ness of Queer Eye and 1 New York Times bestselling author Julie Murphy comes a bighearted story about friendship love and discovering the secrets and beauty of your own hometown Sully is ready to get out of Hearst Pennsylvania With a fashion internship secured the gender nonconforming eighteen year old is trading in their stifling small town for the big city Sully even sells their beloved car to Bread er Brad the most boring and maybe only other gay kid in town When Sully's internship goes up in smoke they're trapped in Hearst with no cash and no car Desperate they go to the thrift store their personal sanctuary There they discover a vintage bag like put this baby in an airtight case at the MET vintage If Sully can authenticate it the resale value would be enough for a new life in the city But when they begin to investigate Sully finds themselves haunted Literally With the ghost of Rufus a drag performer from the fifties with no memory of how he died standing no floating in their bedroom Sully's summer has a new purpose 1 help this ghostly honey unlock his past and move on and 2 make bank after all the Real Real doesn't take poltergeist purses With Rufus in tow and Brad who's looking pretty scrumptious these days playing chauffeur Sully delves into the history of the town they're so desperate to escape Only to discover that there might be more to Hearst than they ever knew A quirky passionate rebellious and quick witted novel Kirkus Reviews starred review Santa Monica Cassidy Lucas,2020-10-06 A debut novel in the vein of Liane Moriarty and Tom Perrotta about dark secrets brought to life after the mysterious death of a handsome and charismatic trainer to the elite women in Santa Monica On the western edge of Los Angeles is the gorgeous beachside city of Santa Monica where the sun kissed wealthy residents seem to inhabit real life California dreams When movie star handsome heartthrob fitness coach Zack Doheny is found dead on the floor of his gym the tragedy shocks the elite community especially those who'd spent many hours each week exercising with the charismatic trainer As the narrative flashes back to the months leading up to Zack's death it quickly becomes clear that things in this coastal paradise are not as glittering as they seem Lettie Zack's secret half sister and an undocumented housekeeper for the toned entitled women of Santa Monica holds her brother responsible for a horrific family accident and desperately needs his money to prevent her deportation Regina type A exercise addict and entrepreneur will do anything to get out of debt and to claim Zack for herself And Mel a New York City transplant who finds herself forty pounds heavier and far more cynical than the lithe women of Santa Monica discovers an electric attraction to Zack that threatens to disrupt his bond with Regina and upend Mel's own marriage As these residents of Santa Monica begin to crack under the stress of their secrets one question hangs above it all what really happened to Zack Doheny As addictively

suspenseful as it is sharply observed hilarious and compassionate Santa Monica is the rare novel that captures readers with propulsive storytelling alongside emotional urgency irresistible characters ambitious themes and a vivid sense of place

One Killer Problem Justine Pucella Winans, 2024-06-04 A darkly funny and thoroughly queer mystery thriller with a touch of camp for fans of Kara Thomas and Kit Frick by way of *Only Murders in the Building* When Gianna Gigi Ricci lands in detention again she doesn't expect the glorified study hall to be her alibi But when she and her friends receive a mysterious email directing them to her favorite teacher Mr Ford's room they find him lying in a pool of blood But calling the math teacher's death an accident doesn't add up and Gigi needs all the help she can get to find the truth Luckily she's friends with her high school's Mystery Club and so with her best friend Sean and longtime crush Mari Gigi sets out to solve a murder But it turns out that murderers are extremely unwilling to be caught and the deeper Gigi gets in this mystery the more dangerous things become Between fending off a murderer continual flare ups of her IBS and her archnemesis turning flirtatious making it out of junior year is going to be one killer problem With a wry hilarious voice and a main character who is the walking definition of a disaster bi this book is an ode to cozy mysteries queer found families and fighting for the people you love no matter what

Venmo an Easy Guide for Beginners Scott Casterson, 2016-03-09 With cash becoming a thing of the past many companies are trying to appease such a new age phenomenon These apps allow you to enjoy a night out with dinner and a show with friends without having a dime in your pocket Venmo is one such app It is a digital wallet that gives users the opportunity to send money from your bank account for free to either pay bills or repay a friend by sending money back to their Venmo account It came about in March 2009 as a system through which funds could be paid through text messages and is said to be safe for users but has since been refined and is now very popular among the social class

Michigan Law Review, 2018 **Good Things Happen to People You Hate** Rebecca Fishbein, 2019-10-15 For lovers of Sloane Crosley and Samantha Irby this hilarious and raw essay collection paints a recognizable and relatable portrait of life in the early aughts Former Senior Editor for *Gothamist* Rebecca Fishbein's adult life has been a dramatic reflection of New York media itself constantly evolving in unexpected ways and seemingly always on the edge of disaster In short Rebecca has seen it all from 3 bedbug infestations to being fired to being yelled at while working at American Apparel to losing all her stuff in a freak fire to being bullied online by angry Taylor Swift fans But the real humor and meat of the collection come from Rebecca's unwavering honesty and unflinching examination of her struggles with alcohol anxiety depression compulsive lying female beauty standards and a slew of failed coworker roommate friend semi relationships are dark insightful and hilarious As Jia Tolentino commented the era of the personal essay ended with the election this is not your grandmother's millennial essay collection Rebecca's writing is relatable without being preachy and conveys a message of resilience by example not by moral Readers will recognize the world they themselves see a disastrous president and a scary socioeconomic landscape in Becca's writing and find comfort in her humor and a snarky but incisive friend in her writing

Venmo Latest Introduction

In today's digital age, the availability of Venmo Latest books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Venmo Latest books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Venmo Latest books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Venmo Latest versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Venmo Latest books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Venmo Latest books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Venmo Latest books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users

to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Venmo Latest books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Venmo Latest books and manuals for download and embark on your journey of knowledge?
