Healing Marks Bruce G Epperly, 2012-11-05 Bruce Epperly calls *Healing Marks* a very personal book as it comes from over thirty years of experiencing the healing stories of Jesus. From his early years as a young college professor he sought to make sense of the growing interest in complementary and alternative medicine. For seventeen years Bruce was a chaplain and professor at Georgetown University School of Medicine and was among the first to teach courses on spirituality and medicine at a major medical school. While embracing Jesus healing ministry as a pastor, professor, reiki teacher, and spiritual guide, he has also wrestled with the meaning of Jesus healing ministry and God's role in healing and sickness in a personal way as a pastor, friend, child, spouse, and parent in hospital rooms, hospices, gravesides, and healing services. I have heard testimonies about the power of God to cure illness, but I have also sat at the bedside of dying friends and congregants who have done everything right according to the principles of their faith traditions and philosophies: personal and intercessory prayers, positive thinking, and affirmations, meditation, and diet, complementary medical treatments, and visits to faith healers and energy workers along with the best modern medicine has to offer in treatment and palliation, says Bruce. Each chapter includes a spiritual practice related to the healing story being considered, that is easily shaped for the reader's personal and spiritual needs. Rev Epperly also includes questions and spiritual practices for group study and spiritual formation at the end of the book. Chapter titles include: Transforming Faith, Forgiveness and Healing, Healing Takes Time, Healing Broken Spirits, A Healing Lifestyle, Healing in a Pluralistic Age, and God Why am I Sick.

The Brutal Truth About Asian Branding Joseph Baladi, 2011-02-16 This is one of the most thoughtful books on branding I've come across. Most such books are either quickly crafted "how-to" books or academic tomes overburdened with references. This book is thoughtful because it raises questions which deal with the *why* rather than just the *how* of branding. The reference to "brutal truth" as the truth which will set us free to examine ourselves without self-illusions is liberating. The notion that Asia has many good but no great brands is also not a put

down but a clarion call for Asian CEOs to rise to the challenge and create lasting meaningful committed brands Ho Kwon Ping Chairman CEO Banyan Tree and Board of Trustees SMU 2010 recipient of the Lifetime Achievement Award by the American Creativity Association A cold shower to wake people up Joe Baladi's Brand Blueprint is a great tool for anyone involved in Sovereign Relationship Marketing or brand building anywhere Timothy Love Vice Chairman Chief Executive Officer Omnicom APIMA There are many books about branding but few address Asian companies directly Joe Baladi has been one of the loudest voices to advocate strong branding practices to Asian companies determined to outperform their competitors The Brutal Truth About Asian Branding is a timely book that all Asian CEOs with global aspirations should read Richard Eu Group CEO Eu Yan Sang International The Brutal Truth About Asian Branding is the first book that connects branding frameworks to the realities of operating in Asia It offers a very straightforward perspective on the challenges Asian CEOs face as they build their businesses and their brands and perhaps the most compelling part of the book is the passionate plea for how Asian CEOs should be thinking different about branding In true Baladi style it is straight from the heart Maarten Kelder Managing Partner Asia Monitor Group A very interesting and valuable perspective on Asian branding one that decision makers in the region should read and embrace Well done Joe Ron Sim Founder it is thoughtful and thought provoking putting people and brands center stage with practical insights borne of his breadth of personal experience at the frontline Chris D Beaumont Professor Tokyo University Global Centre of Excellence Director North Asia Results International The brutal truth is that Joe Baladi is right Asian CEOs must learn the brand skills used so successfully in the rest of the world It will take a big change in mentality but the rewards will be vast This book is a great start to that revolution Michael Newman Author 22 Irrefutable Laws of Advertising *The Shatzkin Files* Mike Shatzkin, Business Week, 2010
