Faith and Other Flat Tires Andrea Palpant Dilley, 2012-02-21 At age twenty one Andrea Palpant

Dilley stripped the Christian fish decal off her car bumper in a symbolic act of departure from her religious childhood. At twenty three she left the church and went searching for refuge in the company of men who left her lonely and friends who pushed the boundaries of what she once held sacred. In this deeply personal memoir Andrea navigates the doubts that plague believers and skeptics alike. Why does a good God allow suffering? Why is God so silent, distant and uninvolved? And why does the church seem so dysfunctional? Yet amid her skepticism she begins to ask new questions. Could doubting be a form of faith? Might our doubts be a longing for God that leads to a faith we can ultimately live with.

Joseph--God's Superhero Kay Arthur, Janna Arndt, 2002-03-01. The Discover 4 Yourself Bible Studies series for kids ages 9-12 combines a serious commitment to Bible study with fun and memorable games, puzzles and activities to reinforce biblical truth. Each study is divided into daily lessons built around an in-depth inductive study of a book or character of the Bible. Any young person who works through these studies will emerge with a richer appreciation of the Word of God and a deeper understanding of God's love and care for them.

Joseph God's Superhero teaches children an extraordinary truth: God chooses ordinary people to become his super heroes. In the first of three characters studies in the Discover 4 Yourself series, kids will watch Joseph as he grows through some pretty amazing struggles. What would it be like to be sold as a slave and shipped off to another country by your own brothers? Later when Joseph meets up with his betraying brothers, will he take revenge? When he's thrown into prison for something he didn't do, how will he handle the unfairness? When he's second only to Pharaoh as the ruler of Egypt, will success go to his head? Joseph had to deal with a life of ups and down, and God taught him how to handle them all. Now it's our turn to learn.
