Susan Turley Medical Language

Susan M. Turley

Susan Turley Medical Language:

Medical Language Susan M. Turley, 2007 Finally a medical terminology text that truly immerses readers within the language of medicine so that students can apply their vocabulary within a real world context. As opposed to fostering rote memorization this book engages students in an interactive learning experience that will give them a vital tool and inspire them to become true consumers of medical language. The goal is to connect with readers to engage their visual, auditory and kinesthetic senses to stimulate them and fuel their complete understanding of the topic. As students engage in this multi-sensory experience within these pages they should remember that we are not encouraging them to merely discover, learn, know or even understand the information. Instead we want readers to live it. We want them to dig in, dive in and become immersed.

Medical Terminology Susan M. Turley, 2010-05-27 This is a student supplement associated with *Medical Language* 2e. Susan M. Turley, MA, BSN, RN, ART, CMT, ISBN 10: 0135055784. *Medical Language* is a medical terminology text that truly immerses readers within the language of medicine so that students can apply their vocabulary within a real world context. As opposed to fostering rote memorization this book engages students in an interactive learning experience that will give them a vital tool and inspire them to become truly proficient in medical language.

Medical Language STAT! Susan Turley, James Allen, 2009 From the best selling author of *Medical Language* 1e this pocket sized book is an essential reference guide for any health care professional. *Medical Language STAT* provides readers with all of the tools needed for success when analyzing medical terms, forming medical plurals and identifying the leading prescription drugs. This portable dictionary makes looking up terms effortless and easy with abbreviation tables, images and much more. It can be used as a companion to Susan Turley's *Medical Language* or on its own.

The author explains the theoretical and biblical underpinnings of original medicine and then explains the eight natural laws of health which can prevent and treat many diseases. The reader will glean practical methods to improve their health by aligning with the Creator's original healthcare plan. Not only is this healthcare plan highly effective, but it is also low cost because it uses resources that God freely provides for our care and healing. [Medical Language Plus](#) [NEW MyMedicalTerminologyLab with Pearson EText -- Access Card Package](#) Susan Turley, 2013-07-09 Now in its Third Edition, Medical Language has touched the lives of more people than any other medical terminology book. This intensely visual, powerfully relevant book is organized to promote exceptionally effective instruction and maximum student success. Fully updated to cover the field's newest terminology, this edition retains a deep focus on word building and enhances teaching and learning in many ways, including a state-of-the-art immersive online study experience. Its appealing uncluttered design contains hundreds of rich images and plenty of white space for easy reading and note taking. Student learning is promoted through an unsurpassed quantity and variety of exercises, more colorful, interesting, and large illustrations, and as requested by most instructors, an intuitive organization around medical specialties. In addition to content updates throughout this edition is complemented by a brand-new set of Dynamic Lectures, comprehensive audio-visual learning experiences narrated by the author.
