## **Suyama A Complex Serenity:**

**Suyama** Grant Hildebrand, George Yosuke Suyama, 2011 George Suyama began his architectural practice in Seattle in 1971 his early career is marked by a number of distinguished designs in the contemporaneous wood idiom of the region Over time however Suyama developed an architecture characterized by a search for minimalist simplicity a paradoxical architecture of intense even exciting tranquility In 2002 he and partners Ric Peterson and Jay Deguchi established Suyama Peterson Deguchi Their firm has built a distinguished reputation by means of designs influenced by the immediate region and by Suyama s ancestral Japan which are intimately related to site and executed with an astonishing finesse of detail Above all their architecture reflects Suyama s quest to eliminate what he calls visual noise a quest that has yielded not visual silence but a kind of visual music Architectural elements are distilled to a purity analogous to that of a musical tone and relationships between those elements are as pure and artistically rich as the mathematics of music In **Suyama A Complex Serenity** Grant Hildebrand introduces the man and his work discussing relevant aspects of Suyama s life the influences that have shaped his beliefs and in layman s terminology twenty of his built and unbuilt projects that illuminate the development of his remarkable art and craft Included also are appendices that illustrate Suyama s deep and long standing involvement with the arts and product design Grant Hildebrand is a University of Washington professor emeritus of architecture and art history and author of seven books on architecture including *The Wright Space Pattern and Meaning in Frank Lloyd Wright s Houses* and *Frank Lloyd Wright s Palmer House* He is a recipient of the Washington Governor s Writers Award for work of literary merit and lasting value

**Shaping Seattle Architecture** Jeffrey Karl Ochsner, 2016-06-01 The first edition of **Shaping Seattle Architecture** published in 1994 introduced readers to Seattle s architects by showcasing the work of those who were instrumental in creating the region s built environment Twenty years later the second edition updates and expands the original with new information and illustrations that provide an even richer exploration of Seattle architecture The book begins with a revised introduction that brings the story of Seattle architecture into the twenty first century and situates developments in Seattle building design within local and global contexts The book s fifty four essays present richly illustrated profiles that describe the architects careers provide an overview of their major works and explore their significance **Shaping Seattle Architecture** celebrates a wide range of people who helped form the region s built environment It provides updated information about many of the architects and firms profiled in the first edition Four individuals newly included in this second edition are Edwin J Ivey a leading residential designer Fred Bassetti an important contributor to Northwest regional modernism L Jane Hastings one of the region s foremost women in architecture and Richard Haag founder of the landscape architecture program at the University of Washington and designer of Gas Works Park and the Bloedel Reserve The book also includes essays on the buildings of the Coast Salish people who inhabited Puget Sound prior to Euro American settlement the role that architects played in speculative housing developments before and after World War II and the vernacular

architecture built by nonprofessionals that makes up a portion of the fabric of the city. Shaping Seattle Architecture concludes with a substantial reference section updated to reflect the last twenty years of research and publications. A locations appendix offers a geographic guide to surviving works. The research section directs interested readers to further resources and the appendix Additional Significant Seattle Architects provides thumbnail sketches of nearly 250 important figures not included in the main text.
