Furthermore, the book includes math review content in both a self-study module for more in-depth review and also in just-in-time math videos for a quick refresher on a specific topic. The Halliday content is widely accepted as clear, correct, and complete. The end-of-chapter problems are without peer. The new design, which was introduced in 9e, continues with 10e, making this new edition of Halliday the most accessible and reader-friendly book on the market.
