Garrison, 1988 **CFA Program Curriculum: Financial statement analysis**, 2007 *Financial Reporting and Statement Analysis* Clyde P. Stickney, 1996 For the undergraduate or MBA course in Financial Statement Analysis offered by accounting finance and economics departments This text takes a strategic approach to financial statement analysis Not only will

students apply accounting principles and procedures but they will understand the economic conditions of a firm and the firm's particular strategies to compete in each of its businesses. This approach elevates the course from one of mechanical calculations to one that integrates concepts from economics, business strategy, accounting and other business disciplines. This synthesizing experience rewards students both intellectually and practically.

Financial Statement Analysis Charles H.

Gibson, 1998. Gibson does not oversimplify financial statements. Rather, it involves readers with the material by using real world examples with emphasis on the analysis and interpretation of the end result of financial reporting financial statements.
