Index, 1989 Scott Westerfield's Novel "So Yesterday". Literary and Didactic Aspects, 2016-11-07 Seminar paper from the year 2012 in the subject Didactics for the subject English Pedagogy Literature Studies grade 1 3 Humboldt University of Berlin Seminar f r Anglistik Amerikanistik course Hauptseminar Amerikanische Jugendromane language English abstract So Yesterday is a novel by Scott Westerfeld published in 2004 It has won a Victorian Premier s Award and is also an ALA Best Book for Young Adults So Yesterday the author s third publication is considered his breakout novel and has been optioned to be made into a film The mystery novel with a splash of romance is addressed to young readers and is particularly well suited for the implementation in the English classroom The novel discusses various themes affecting our everyday life such as consumerism and marketing and critically reflects the concept of being cool This paper intends to analyze the novel by setting out literary and didactic aspects according to the text and to invent a teaching project for the EFL It is divided into three parts In part one the author his aims and the historical background of the novel are presented Part two is concerned with the analysis of the text itself the place and setting the characters and the themes and concept described in the novel And part three deals with the construction of the teaching project following the Rahmenlehrplan F-Commerce Handbook Paul Marsden, Paul Chaney, 2012-06 The f Commerce Handbook delivers practical guidance proven strategies and best practices to profit from Facebook as a direct sales channel It reveals ten smart but simple secrets for running profitable sales events on Facebook all designed and proven to build business and monetize efforts The Thank You Economy (Enhanced Edition) Gary Vaynerchuk, 2011-03-08 If this were 1923 this book would have been called Why Radio Is Going to Change the Game If it were 1995 it would be Why Amazon Is Going to Take Over the Retailing World The Thank You Economy is about something big something greater than any single revolutionary platform It isn t some abstract concept or wacky business strategy it s real and every one of us is doing business in it every day whether we choose to recognize it or not It s the way we communicate the way we buy and sell the way businesses and consumers interact online and offline The Internet where the Thank You Economy was born has given consumers back their voice and the tremendous power of their opinions via social media means that companies and brands have to compete on a whole different level than they used to Gone are the days when a blizzard of marketing dollars could be used to overwhelm the airwaves shut out the competition and grab customer awareness Now customers demands for authenticity originality creativity honesty and good intent have made it necessary for companies and brands to revert to a level of customer service rarely seen since our great grandparents day when business owners often knew their customers personally and gave them individual attention Here renowned entrepreneur Gary Vaynerchuk reveals how companies big and small can scale that kind of personal one on one attention to their entire customer base no matter how large using the same social media platforms that carry consumer word of mouth The Thank You Economy offers compelling data driven evidence that we have entered into an entirely new business era one

in which the companies that see the biggest returns won't be the ones that can throw the most money at an advertising campaign but will be those that can prove they care about their customers more than anyone else. The businesses and brands that harness the word of mouth power from social media, those that can shift their culture to be more customer aware and fan friendly, will pull away from the pack and profit in today's markets. Filled with Vaynerchuk's irrepressible candor and wit as well as real world examples of companies that are profiting by putting Thank You Economy principles into practice, The Thank You Economy reveals how businesses can harness all the changes and challenges inherent in social media and turn them into tremendous opportunities for profit and growth.
