we respond to the Holy Father's call creating evangelization opportunities that help bring people back to the Church. By transforming Catholics into digital missionaries ready and able to take the joy and warmth of the Gospel online via social media to infrequent inactive or ex-Catholics around the corner or across the globe. Consider this:

1. Nearly every lost Catholic in the U.S. is most likely connected with at least one engaged Catholic or is one retweet or like away from them.
2. On the whole, Catholics have not been taught to see social media as a way to live out their faith.
3. Motivating parishes to put a priority on evangelization has been a challenge.
4. Catholics are more likely to be comfortable as digital missionaries than to participate in other forms of evangelization.
5. Parishes can offer digital missionary training to parishioners who would welcome it.

In *Transforming Parish Communications: Growing the Church Through New Media*, you'll discover how to embrace the Church's vision of evangelization in new media, how entire parishes can become hubs of digital evangelization, and how to overcome obstacles. Specific strategies for implementation, how to create a consistent digital identity online, best practices for parish websites, the nuts and bolts of Facebook, Twitter, email, blogging, and more. Consider this book your entry into an important and urgent call to each of us as Catholics: To bring the warmth of the Gospel to the lost and bring them back to the Church.
