**Enhancing Curricula with Service Learning Models** Valarmathi, Sharon,Kareem, Jacqueline,Tantia, Veerta,Babu, Kishore Selva,Lucas, Patrick Jude,2024-05-20 In today s digital age technological advancements permeate every sector especially higher education However higher education must

go beyond merely integrating AI into the curriculum. Additionally, it needs to prioritize educating students about societal issues. Integrating service learning into higher education curriculums, however, is a significant challenge facing schools today. There is a need for comprehensive research on its effectiveness and guidance on institutionalizing it effectively. This hampers its potential to foster civic engagement and social responsibility among students. With clear strategies and best practices, institutions can implement service learning programs that benefit all stakeholders. *Enhancing Curricula with Service Learning Models* provides a comprehensive blend of theoretical frameworks, practical experimentation, and real world examples to guide educators, administrators, and policymakers in fostering profound student engagement. It emphasizes the role of emerging educational paradigms like service learning in instilling a sense of civic duty and purpose in students. By enriching the educational dialogue with an emphasis on the pivotal role of student engagement in creating transformative and purposeful learning experiences, this book empowers educators and institutions to create impactful and sustainable programs.
