## Study Guide Deacons

**Alexander Strauch**

## **Study Guide Deacons:**

**Deacon Training** Kate Ward-Turner,2008-05 Indifference toward deacon development places the church in a precarious state By and large congregations stand to be weakened by deacons who have not discovered the exciting possibilities of the office When pastor and congregation disregard the need to have trained deacons the office is allowed to recede into one of mere honor rather than service established in Christ On the other hand trained deacons or those in training discover exciting opportunities with which the office of deacons is filled They come to perceive the office as one of service rather than honor The church is strengthened exceedingly by their effective and efficient leadership under the sight of the pastor

Unquestionable God is looking for a special breed of deacons a New Testament breed who are Spirit filled and qualified To say that deacons are qualified is to say also that they are trained for the work of deacons

### **Paul's Vision for the**

**Deacons: Study Guide** Alexander Strauch,2017-12 With questions and assignments written by Alexander Strauch this Study Guide is designed as a companion to the text Paul's Vision for the Deacons Assisting the Elders with the Care of God's Church Together these resources make excellent training material for deacons and the elders who lead them

### **The New**

**Testament Deacon** Alexander Strauch,1992 The author's goal is to help Christians understand the necessity for and vital importance of New Testament deacons to the local church so that the needy poor and suffering of our churches are cared for in a thoroughly Christian manner

**Servants in Charge** Keith M. Bailey,2007-04-01 Servants in Charge is a training guide for elders and deacons with a study guide included Servants in Charge define the roles of elders and deacons and offers practical suggestions for selecting these important leaders And for servants who find themselves in charge there are guidelines toward effective and fruitful ministry Have you ever been in an office or a place of business when someone walked in and asked Who's in charge here Can it be that the people who enter your church ask the same question but it is important to realize the answer is not a mystery In a beautiful parable about His second coming Jesus made it clear that His servants are in charge These people are known not so much for their position or power but for their attitude of true servant hood In Servants in Charge we find that Dr Bailey deals with the topics of who a deacon and elder are to be to what their qualifications are from a scriptural basis He also goes on to explain their biblically based ministries and their spiritual gifts as laid out in the New Testament He completes this short study with a guide for preparation for them and their election and consecration A great must have for the church today

**Decently and in Order** Marshall Donnell Mays,2001 *Servants in Charge with Study Guide* Keith Bailey,2007-04-01 *Study Guide for the Ministry of the Deacon* LeRoy Ford,1986

*Now That You're a Deacon* Howard B. Foshee,1975-10-16 A combination of practical guidance and inspiration on character relationship to church and pastor stewardship missions and more *The Presbyterian Deacon* Earl S. Johnson,2002-01-01 Describes the duties and offices of a deacon in the Presbyterian Church U S A *SCM Studyguide: Catholic Liturgy* Peter McGrail,Martin Foster,2018-10-31 Written by liturgists pastoral and academic who make up the

Liturgical Formation Sub Committee of the Department for Christian Life and Worship of the Roman Catholic Bishops Conference of England and Wales this studyguide offers an introduction to Catholic Liturgy Covering the history content and debates around the use of liturgy in the Catholic church each chapter includes points for reflection end of chapter questions and an indication of further reading A book wide glossary is also provided The Deacon's Quick Reference Guide Wille L. Glasper, Sr.,2001-08-01 *Paul's Vision for the Deacons* Alexander Strauch,2017-11-15 Among evangelical Christians there are widely diverse views on the roles of deacons What does Scripture actually teach about deacons and their role in the church Views range from deacons being the board of directors to the church building maintenance crew In writing this completely new book Strauch states that his purpose is to encourage my deacon friends and fellow church leaders to think more critically about what they are saying what they are doing and what the Scripture actually teaches about deacons Whatever your view of deacons may be this study will help you examine in detail the biblical facts on deacons allowing those facts to guide your thinking This book offers the opportunity to build broader agreement among our Bible believing churches as to what deacons do This is not simply a revision of Strauch's popular book *The New Testament Deacon Minister of Mercy* It is a completely new study with a fresh perspective **The Deacon Manual** M. Randy Morris, Sr.,2013-10-11 **EVERY SPIRITUAL LEADER SHOULD READ THIS BOOK** Everyone that is called to be a leader in God's Kingdom should expose himself or herself to fresh revelation concerning service This book gives the new deacon the seasoned deacon as well as general leaders a glimpse of how to keep all things decent and in order in the Church The relationship between the pastor and leader should never be compromised Each should know how to function in their proper place of leadership Too long the Church has been plagued with implacable leaders who have embraced a spirit of rebellion thus hindering the will and purpose of God Spiritual correction is mostly viewed as a tool of confusion and offence but quite the contrary it is the spiritual vice that is needed to impel increase This book has been written to help bring Divine order in God's Kingdom **40**

**Questions about Elders and Deacons** Benjamin L. Merkle,2007-11-29 Organized around common FAQs 40 Questions About Elders and Deacons tackles the major questions that pastors church leaders and students ask about congregational church government a topic of significant interest in the church today It provides readers with a clear analysis of key biblical passages and succinct answers 4 8 pages each The unique format of the book allows readers to pick and choose what issues are most pertinent to their interests and needs Thought provoking discussion questions for each topic make it ideal for either personal or church wide study **A Study Guide for Developing Volunteer Pastors and Deacons in and Through the Local Church** Doug Harris,1997 **SCM Studyguide: Liturgy, 2nd Edition** Stephen Burns,2017-10-30 The SCM Studyguide Liturgy 2nd Edition is an introduction to liturgy that considers the basic building blocks needed to grasp the subject area It outlines the essential shape and content of Christian worship and explores a range of liturgical dynamics of which both students of liturgy and leaders of liturgy need to be aware This 2nd edition of the popular Studyguide is fully

revised updated and expanded The book takes account of new developments in scholarship engages with new contexts for liturgical celebration notably fresh expressions as part of a mixed economy of church encompasses recent revisions in liturgy and seeks to broaden the engagement beyond the British context to consider the wider global context *On Being a*

*Deacon's Wife: Study Guide* Martha Nelson,1977 **The Deacon** Cornelis Van Dam,2016-12-23 The office of deacon is God s gift to His church but today it is often undervalued misunderstood and perceived to be of little importance In The Deacon the author considers the Old Testament background for this calling the deacon in New Testament times and in church history and the current function of the office You will rediscover the high and privileged calling of deacons and come to a better understanding of what God requires of them Table of Contents Part 1 The Old Testament Background 1 The Poor in Israel 2 Providing for the Poor Part 2 New Testament Times 3 Christ s Teaching on the Poor and Needy 4 Ministering to the Poor in Acts 6 5 The Office of Deacon 6 Female Deacon Part 3 The Office of Deacon in the History of the Church 7 The Testimony of the Early Church and the Heritage of the Reformation 8 Women and the Diaconate Part 4 The Current Functioning of the Office 9 The Official Position of the Deacon Today 10 Enabling and Prioritizing 11 The Diaconal Ministry within the Congregation 12 The Diaconal Ministry outside the Congregation 13 The Blessing of the Poor

**Exemplars** Daniel Vestal,Elizabeth Allen, (Nu,2016-06-14 Who Do Deacons Need to Be What Do Deacons Need to Know What Do Deacons Need to Do These three questions form the basis for Exemplars Deacons as Servant and Spiritual Leaders They are designed to encourage robust conversation within diaconates as well as between deacons clergy and other laity All of us grow spiritually as we listen and speak to one another with open minds and loving hearts For deacons to reach their full potential as spiritual leaders thoughtful and prayerful conversation must happen This workbook was born from years of pastoral experience and a growing conviction that congregational renewal must include lay renewal Nearly every Baptist church has a diaconate so it seems reasonable that if lay renewal is to happen it must include deacon renewal Exemplars can be helpful as a study guide for an individual deacon or in a small group or retreat setting where deacons study together hold one another accountable and offer support for one another as they seek to be exemplars of Christ and servants of Christ s church

**SCM**

**Studyguide: Church History** Stephen Spencer,2013-08-27 An introduction to the study of the ways the church has evolved in its corporate life since its birth in the first century Special attention is given to studying its changing relationship and interaction with the surrounding societies in which it has existed The intended readership will be those training for ministry in English speaking churches so the studyguide will concentrate on those aspects of this subject of most relevance to this group This means there will be greater attention to developments in the West than in the East especially in later centuries and to topics such as the nature of ministry the sacraments places of worship authority in the church and mission These will be examined at each period of church history in each chapter to provide reference points of comparison throughout the book Each chapter will also contain a specific case study presenting extracts of some key documents with notes commentary and

questions for discussion to allow readers to develop skills in historical research General discussion questions and reading lists will be provided at the end of each chapter The final chapter will provide guidance for the study of the history of the student s own church and community
