the original text as a guide you will learn to cite evidence from the text in order to complete and reflect on your reading. Designed under the guidance of an experienced and credentialed instructor this study guide series GUIDES the learner to discovering the answers for themselves creating a fully detailed study guide in the user's own words. Filled with guided reading activities students are able to fill this guidebook with their own information. If you read it write it and reflect on it you will learn it. Teachers you can also purchase a set of these books or one book and make copies for your entire class. It makes the perfect guided reading activity and will teach students how to internalize the reading note taking and learning process that advanced readers naturally perform. These make the perfect workbook to keep your class engaged and learning.

**Instructions for Use** This study guide is designed as a guided reading workbook. Keep the study guide open and next to you while you read. The sections are sequential and allow you to annotate a fancy word for taking notes. As you read the book continue to take notes within this guide. Once you finish you'll have a complete study guide IN YOUR OWN WORDS. The fact is that actually taking notes and then reading them means that you learn while you take the notes it's easier to read since it is in your own words AND you will actually master the material since you have experienced it in multiple ways reading AND writing.
