Study Guide For Business Essentials 9th Edition:

Business Essentials Ronald J. Ebert, Ricky W. Griffin, 2005 Business Essentials BPP Learning Media, 2010-11-01 This book is designed to be of value to anyone who is studying human resources whether as a subject in its own right or as a module forming part of any business related degree or diploma. However, it provides complete coverage of the topics listed in the Edexcel Guidelines for 21 Human Resource Management and 22 Managing Human Resources of the BTEC Higher Nationals in Business revised 2010. The book contains these sections: Human Resources Management, HRM Issues, Features include summary diagrams, worked examples and illustrations, activities, discussion topics, chapter summaries and quick quizzes, all presented in a user-friendly format that helps to bring the subject to life. The Routledge Course on Media, Legal and Technical Translation Mahmoud Altarabin, 2020-10-26 The Routledge Course on Media, Legal and Technical Translation English Arabic English is an indispensable and engaging coursebook for university students wishing to develop their English Arabic English translation skills in these three text types. Taking a practical approach, the book introduces Arab translation students to common translation strategies in addition to the linguistic syntactic and stylistic features of media legal and technical texts. This book features texts carefully selected for their technical relevance. The key features include comprehensive four chapters covering media legal and technical texts which are of immense importance to Arab translation students, detailed and clear explanations of the lexical syntactic and stylistic features of English and Arabic media legal and technical texts, up to date and practical translation examples in both directions offering students actual experiences of professional translators, authentic texts extracted from various sources to promote students' familiarity with language features and use extensive range of exercises following each section of the book to enable students to test and practice the knowledge and skills they developed from reading previous sections, glossaries following most exercises containing the translation of difficult words and a list of recommended readings following each chapter. The easy practical and comprehensive approach adopted in the book makes it a must-have coursebook for intermediate and advanced students studying translation between English and Arabic. University instructors and professional translators working on translation between English and Arabic will find this book particularly useful. **Subject Guide to Books in Print**, 2001
