Hacking Digital: Best Practices to Implement and Accelerate Your Business Transformation Michael Wade, Didier Bonnet, Tomoko Yokoi, Nikolaus Obwegeser, 2021-09-28

Improve your business performance through digital transformation. Digital transformation has become commonplace across public and private sector organizations and yet most struggle to achieve tangible results from it. Many make avoidable mistakes or fall into simple traps along the way. Written by a team of global digital transformation thought leaders, *Hacking Digital* provides practical advice and information that you need to successfully transform your organization. *Hacking Digital* is organized into six easy to follow sections: Initiating Your Digital Transformation, Setting Up the Right Organizational Dynamics, Working with the Outside World, Creating Value in New Ways, Leading People and Organizations, Anchoring and Sustaining Performance. How do you create a sense of urgency? How do you set up digital governance? How do you create successful digital offerings? How do you manage the relationship between digital transformation and IT? How do you scale digital initiatives? *Hacking Digital* answers these and many other questions you need to transform your organization and seize a competitive edge for years to come. www.hackingdigital.org

[Impact of Influencer Marketing on Young Women's Customer Experience on Cosmetic Products](#) Jule Prescher, 2023-06-06 Bachelor

Thesis from the year 2023 in the subject Communications Multimedia Internet New Technologies grade 13 University of applied sciences Cologne language English abstract. This thesis aims to realize how influencer marketing performs and its impact on the Cx. Therefore the research addresses the following questions: How powerful are influencers these days? What is different about influencer marketing and why is it a successful strategy? How do people perceive information shared by influencers and which factors are decisive for potential customers to purchase products advertised by influencers? What impact does an influencer have on the overall Cx? The internet has been fully integrated into people's daily lives worldwide over the past years. The percentage of the world's population with access to the internet has doubled from 32% in 2011 to 63% in 2021. 90% of people from developed countries access the internet in 2021. At the same time the number of social network users is increasing. These networks have the purpose of connecting with friends. In 2022 5 billion people have access to the internet worldwide and 4.7 billion people use social media. SM Ultimately 93% of those with internet access own at least one SM account that is more than half the population worldwide. Through time companies found new marketing strategies which reached active people on SM. These platforms are necessary to reach Generation Z people born in the late 1990s. They are different and cannot be reached in the same way as they watch Netflix instead of TV or listen to Spotify.

instead of the radio for example Influencer marketing became a 10 billion industry in 2020 Influencers share their lives on SM networks Due to their high reach they receive offers from companies for cooperation Influencers followers admire and trust their recommendations due to their personal and authentic representation While advertising products influencers show how to use them where to buy them and give their opinion For higher sales influencers often receive promo codes for a discount or free products for each order
