Guerrero,2014-01-01 *Macro Practice in Social Work for the 21st Century* Steve Burghardt,2013-10-18 Macro Practice in Social Work for the 21st Century Second Edition offers a modern approach to building effective career skills in macro practice Author Steve Burghardt inspires students by tracing the careers of macro practitioners from grass roots organizers to agency executives By focusing on how practitioners can make meaningful strategic choices regardless of their formal roles and responsibilities this Second Edition takes a refreshing new approach on the key issues of how to respond to diversity and oppression the use of the internet for organization the limits of virtual trust understanding where micro and macro meet in practice and co leadership development *Essential Business Skills for Social Work Managers* Andrew J. Germak,2014-11-13 Many social workers find themselves in management positions within a few years of graduating from MSW programs Most of these jobs are in nonprofit human service organizations in which increasingly business acumen is necessary to maintain grants and donations start new programs market services to clients supervise the finance function and understand the external environment This book teaches MSW students and early stage social work management practitioners the essential business skills needed to manage programs and organizations to improve their overall management toolkit for finding a better job or getting promoted and ultimately to gain parity with other managers holding MBA degrees and working in the human service space This text can serve as a desk reference for managers to troubleshoot various situations It is also appropriate for social work macro practice courses at the undergraduate and graduate levels as well as courses that cover human resource management and financial management

*Analyzing Social Policy* Mary Katherine O'Connor,F. Ellen Netting,2011-02-02 From formulation to implementation an approach to the analysis of social policy through the lens of research Analyzing Social Policy prepares professionals and students to make better informed decisions related to identifying and understanding the intricacies and potential impact of social policymaking and enactment on their organization as well as their individual responsibilities goals and objectives Authors Mary Katherine O'Connor and F. Ellen Netting thoroughly examine various approaches to the analysis of social policies and how these approaches provide the knowledge multiple perspectives and other resources to understand and

grasp the nuances of social policy in all its complexity Comprehensive and based on research Analyzing Social Policy explores An overview of the practice of social policy analysis The role of research in guiding policy analysis The idea of policy analyses as research Themes assumptions and major theories that undergird rational models of policy analysis Nonrational themes assumptions and major theories informing nontraditional interpretive and critical approaches to policy analysis Strategies for applying selected models and approaches when engaging in policy analysis as research Providing practitioners and students with a set of tools that can be used to enhance an understanding of what constitutes policy as well as acceptable standards for critical analysis of policy this resource enables policy advocates regardless of their level to be political strategic and critical in their work

**Introduction to Social Work** Lisa E. Cox,Carolyn J. Tice,Dennis D. Long,2015-01-30 Introduction to Social Work by Lisa E Cox Carolyn J Tice and Dennis D Long is an exciting and timely new text that takes readers to the roots of the social work profession framing its history practice settings and career paths through the lens of advocacy Closely aligned with the latest Educational Policy and Accreditation Standards EPAS the text goes beyond standard coverage to explore such cutting edge content as military social work environmental issues global international social work housing and more Robust applied pedagogy and an emphasis on advocacy and reflective practice help underscore the transformative opportunities and contributions of social work on clinical client community national and international levels

**Social Work and the Environment** Michael Kim Zapf,2009 This ground breaking new work provides a detailed and extensive comparison of how the physical environment has been conceptualized in social work and other professions and offers a new and attractive foundational metaphor for social work The author acknowledges the need for greater awareness and action regarding environmental impacts and the book promotes more comprehensive notions of responsibility identity and stewardship that lead to a dynamic metaphor of people as place as the foundation for relevant social work practice in the early 21st century Why is that a profession with a declared focus on person in environment has been so silent on the environmental crisis Mainstream social work theory has narrowed the understanding of environment to include merely the social environment but this approach is no longer sufficient for participation in multi disciplinary efforts to tackle urgent environmental issues Transformative notions of responsibility identity and stewardship have been developed on the fringes of our professional community rural remote social workers Aboriginal social workers and international and spiritual social workers They must now move to the core of the profession

*The Practice of Macro Social Work* William G Brueggemann,2013-03-15 Intended for those who want to make a difference in today s modern society this comprehensive book explores the theory and methods in nine arenas of macro social work at the community organizational societal and global levels of practice THE PRACTICE OF MACRO SOCIAL WORK Fourth Edition challenges readers to use their concern values and critical thinking skills to assist those who struggle and have been excluded from making decisions that affect their lives and to empower these less fortunate individuals to reclaim a healthy social environment for themselves and their

children The book's generalist orientation provides an organizational framework as well as history biographical material on leading macro social workers illustrative contemporary examples and factual data that offers real life detail Most important is the depth and wealth of practical information that assists readers in understanding how to help people engage in solving social problems and in influencing social change to bring about a more just society and humane global civilization Available with InfoTrac Student Collections <http://gocengage.com/infotrac> Important Notice Media content referenced within the product description or the product text may not be available in the ebook version
