
OGET Study Guide question and answers graded A+ fully solved 2023

Research writing - correct answer writing to answer a question or a problem about a particular research topic.

Problem statement - correct answer written to clearly define the problem with a topic before asking how to solve the problem.

Research question - correct answer serves to ask what can be done to address the problem.

Thesis - correct answer a proposal for a solution or as a recommendation to future researchers to continue to learn more about the topic.

record - correct answer the material they find and note how each source may impact their work.

Literature reviews and annotated bibliographies - correct answer helpful tools for evaluating sources, as they require the researcher to consider the qualities and offerings of the sources they choose to use.

Synthesizing information - correct answer requires the researcher to integrate sources and their own thoughts by quoting, paraphrasing, or summarizing outside information in their research project.

The researcher complements the writer's claims, ensures that the ideas in the composition flow logically, and makes including small details and quotes easier.

Paraphrasing - correct answer allows the writer to support their ideas with research while presenting the information in their own words, rather than using source's original wording.

Literature Review - correct answer searching through existing literature and writing the review
