Marek Kowalkiewicz,2024-02-12 A damn well written book a thrilling entertaining whirlwind tour of different AI algorithms and their industry applications Tobias Lange Senior Vice President Siemens Digital Industries Software Welcome to the economy of algorithms It s here and it s growing In the past few years we have been flooded with examples of impressive technology Algorithms have been around for hundreds of years but they have only recently begun to escape our understanding We are so impressed by what they can do that we give them a lot of agency But because they are so hard to comprehend this leads to all kinds of unintended consequences In the twentieth century we had the economy of corporations In the first two decades of the twenty first century we saw the emergence of the economy of people otherwise known as the digital economy enabled by the internet Now we re seeing a new economy take shape the economy of algorithms How can we use algorithms to automate the boring parts of our jobs enhance decision making and drive innovation Where is the line between algorithmic help and surveillance Can an algorithm take your job How do you advertise to a fridge Do algorithms dream of electric sheep Why is it so hard to predict where technology will go next These questions and more are answered by this exciting and ground breaking book which includes nine rules for flourishing in the new economy of algorithms

*Strategic Database Marketing 4e: The Masterplan for Starting and Managing a Profitable, Customer-Based Marketing Program* Arthur Hughes,2011-12-20 Use the latest digital technologies for lifelong customers and repeat sales Arthur

Middleton Hughes is database marketing's Great Explainer. He has a unique gift for taking complex subjects and breaking them down in ways people can easily understand. This is the most approachable book I have ever read on the subject. Ken Magill, Publisher, The Magill Report.

Strategic Database Marketing is a must read for anyone in CRM or e-mail marketing. The Customer Lifetime Value information and formula is critical to utilize. Arthur's information makes it easy to update with your e-mail metrics and improve KPIs to know the success of each marketing program.

David Horwedel, eCRM Program Manager, Dell.

Arthur Hughes is truly a direct marketing database guru. This edition of Strategic Database Marketing is a must read for any marketer in today's ever changing environment.

Vicki Updike, President, Miles Kimball Company.

Strategic Database Marketing objectively challenges the very way we go about using our data and where we should be going in the future. It is an important, informative and enjoyable read.

Matt Edgar, Founder, Global Marketing Alliance and publisher of Direct Marketing International.

Strategic Database Marketing provides the fundamentals of consumer data management that every marketer should know. Arthur's insight into utilizing e-mail and social media both as a data source and communication medium is key to creating the highly relevant and targeted messaging that today's consumers demand.

Angela Sanchez, Sr. Director of Marketing, Universal Music Group.

Arthur Hughes describes how smart marketers amass the mounds of valuable customer data accumulated by their company, find common characteristics among those individuals and then suggest a product or service that customers will be eager to purchase even before they know they want to buy it.

Kathryn Kiritis, Director, Online Marketing, Avis Budget Group.

Read this book if you are looking to make sense of the complexities of database marketing in the digital world. Mr. Hughes has produced a tour de force.

Steve Cobden, CMO, Thompson Company of Tampa Inc.

I have learned so much from Arthur Hughes over the years. This book is no exception. He continues not only to address theory but also offer practical, measurable application.

Sue Coakley, Sr. Director, Customer Contact Strategy, Yahoo.

About the Book:

Since the previous edition of Strategic Database Marketing was published in 2006, digital tools like Google, e-mail, mobile devices and social networking sites have completely changed the game. Customer outreach knows no boundaries, program management is more complex and smart use of databases is absolutely critical to success. With these new challenges though, come great opportunities and this thoroughly updated new edition has everything you need to seize them all.

Retaining all the tips, tactics and strategies that have made Strategic Database Marketing the go-to resource for marketers who take their craft seriously, this classic guide gives you the most current tools and techniques for gathering and measuring metrics and making accurate predictions with them. Completely revised and updated, this new edition covers all the foundational database marketing principles and practices, including Lifetime value, LTV, Building profits with recency and frequency, The off e-mail sales multiplier, Customer and subscriber acquisition, Monetary, RFM analysis, Expanding retail store traffic, Customer segmentation, Analytics and modeling, Loyalty marketing, Measuring the impact of social media, Testing and control groups, Business to business database marketing. All quizzes, forms, strategies, charts and graphs are available online.

for instant reference and downloads The book also enables you to calculate the lifetime value of your subscribers and customers and sample online databases to quantify your efforts The personal customer information stored in your company's database files provides you with a unique and valuable competitive advantage But are you using that information productively Is your data difficult if not impossible for frontline employees to access when needed Strategic Database Marketing Fourth Edition is a one stop resource for making the best possible use of database marketing to meet your strategic goals while keeping up with the changing nature of the market **Introduction to Information Systems** R.
