

## Reading Comprehension Guide

### Before You Read

#### **Choose 2:**

1. Read your homework questions.
2. Read the headings/subheadings.
3. Do a 1 min. scan of the chapter/article.

### As You Read

#### **1. Use Commas**

If a sentence is long and has commas, try reading it without the part in commas, and then with that part. (If the long sentence has no commas, add some. Read it again in chunks.)

#### **2. Highlight the "Why"**

Highlight only sentences that explain why. Key words: "because," "therefore," ...

#### **3. Add Headings**

Write headings (or sub-headings) as you read. This is an easy way to summarize as you go, and will make it easier to find information.

#### **4. Make Equations**

Translate processes into equations. For example, "When you combine red with white, you make pink" becomes "red + white = pink." You can study the equations instead of the text.

#### **5. Color Code**

Color code like this: Green = already know it. Yellow = review it. Red = continuing learn/study it.

### Avoid Rookie Mistakes!

- If you think you'd found an answer to a question, read the sentence before it to make sure you have the context.
- If you can't picture something you just read, back up. Read it again, bit by bit, until you can imagine each part.

**60 Strategies for Improving Reading Comprehension in Grades K-8** Kathleen Feeney Jonson, 2005-12-21 Use these fun easy to use activities to tackle the most challenging aspect of reading. Finally someone has written a practical book filled with easy to read comprehension strategies. I will definitely use this book with teachers in my district to teach about and review comprehension strategies. The section on How Can We Learn More is also fantastic. Thank you Kathleen Jonson Hazel Brauer Literacy Coordinator Jefferson Elementary School District Daly City CA. This book is a comprehensive well organized guide to teaching reading comprehension. The clear consistent layout of the lesson plans makes it easy for the teacher to locate and implement appropriate lessons quickly. The examples are very helpful and the templates allow a teacher to begin lessons immediately. The wide variety of lesson plans makes this guide truly useful for all grade levels. Myra Gamble Reading Specialist Spring Valley School Millbrae CA. Comprehension is the final goal of reading but because it involves several cognitive processes it remains the most difficult facet of reading development to teach. Based on the recommendations of the National Reading Panel Report 60 Strategies for Improving Reading Comprehension in Grades K-8 provides teachers with a ready to use toolkit of tried and true learning strategies designed to actively engage students in cognitive processes including predicting, visualizing, making inferences, monitoring, synthesizing, and summarizing. Developed as specific instructional procedures with clearly delineated steps for implementation these entertaining activities are effective in all types of classrooms. Each of the 60 strategies in the book includes Grade level recommendations, Goals for each strategy, Step by step instructions, Graphics and examples of student work, Directions for modifying strategies for different grade levels. Literary expert Kathleen Feeney Jonson has created an exciting resource to help educators teach the most difficult piece of the reading process comprehension. Offering a rare combination of fun and function these strategies are sure to get students to listen, laugh and most important to learn

With a wealth of ideas to get you started and keep you going, this is the all inclusive resource you need to help students become active, engaged and independent readers who truly comprehend what they read. Reviews and Testimonials. Literacy coach and author Lori Oczkus knows how to take the best of what works from long established research and showcase it to make teaching and learning more effective, engaging and enjoyable. In her latest edition of *Reciprocal Teaching at Work* she demonstrates how to scaffold instruction so that all K-12 students can benefit from reciprocal teaching techniques what she calls the Fab Four: predicting, questioning, clarifying and summarizing in whole group guided reading and book club settings for both fiction and informational texts. In clearly delineated lessons and minilessons Lori deftly shares how to support students learning including English language learners and students who struggle so they can successfully apply and monitor those four discussion strategies as well as troubleshoot problems to yield significant progress in their reading comprehension. Filled with great practical ideas, this gem of a book is a must have for all literacy educators. Regie Routman author of *Read Write Lead: Literacy Essentials* and *Reading Essentials*. Reciprocal teaching works to push students into deeper learning. There are decades of research on the impact of this instructional approach and this book shows you how to implement and refine the practice such that all students succeed. Doug Fisher author of *Checking for Understanding* and *Visible Learning for Literacy*. One of the great instructional research discoveries of the past three decades has been the efficacy of reciprocal teaching for improving student learning and reading comprehension. More than anyone, Lori Oczkus has explored practical ways for making reciprocal teaching an integral part of nearly any classroom setting. This current work by Lori represents the epitome of her work in translating reciprocal teaching research into practice. Readers will find this immensely readable book filled with strategies that can be easily implemented and that will improve student learning. If you are interested in improving your students reading achievement you need to read this book. Timothy Rasinski author of *The Fluent Reader* and *Close Reading with Paired Texts*. In this new edition of *Reciprocal Teaching at Work* Lori Oczkus offers new thinking while reinforcing the best practices that make her ideas timeless. Through these engaging lessons and smart instructional moves you will empower your students to build the confidence and competence they need to become strong independent readers.

Donalyn Miller author of The Book Whisperer On every page of this book in every activity and plan the voice of a gifted and empowering teacher inspires the reader In a major revision of her classic work Lori Oczkus engages the immediacy and demands of today s classrooms with the most robust constellation of strategies for teaching comprehension She compellingly demonstrates how the Fab Four are engaged across the grades and she powerfully scaffolds supports and reassures teachers in their efforts to incorporate reciprocal teaching across a broad communication textual and digital terrain Shane Templeton Foundation Professor Emeritus of Literacy Studies University of Nevada Reno NV
