Helm, April Leigh Helm, 2017-06-20 The fun way to research your family history Genealogy For Dummies 8th Edition covers everything you need to know about starting a genealogical research project including where and how to find information how to communicate with other online genealogists how to leverage social networking sites and apps how to add digital images to your family tree and how to build your own site for sharing information It also explains the use of compiled genealogies U S Census information and public access catalogs Brand new to this edition is content on how to conduct genealogical research on the road and on how to take this research and integrate it into the data found at home It also contains new information on DNA research and testing new geocoding applications to record geographic data into a genealogical database and other new technologies The book covers which apps are worth your money and how to get the most out of them Use the latest tools to research family history Create your own site to showcase your family tree digital images and compiled genealogies Get access to free versions of Legacy Family Tree and Personal Ancestral Files Utilize both online and offline research techniques and tools Follow the clues to uncover your family's legacy and have fun along the way *Digital Femininities* Frankie Rogan, 2022-07-01 Digital Femininities The Gendered Construction of Cultural and Political Identities Online examines the role of new media technologies in the production of girls cultural and political identities The book argues that the varied and

complex spaces which make up our social media should be conceptualised as important terrains upon which neoliberal and postfeminist subjectivities can be both reproduced and subverted In doing so the book explores many key issues underpinning current debates around gender politics and digital media including gendered spatial politics visibility surveillance and regulation beauty politics and civic and political engagement and activism Over the last decade the position of girls and young women within the digital landscape of social media has been a topic of much debate On the one hand girls social media practices are presented as a key site of concern wherein new digital technologies are said to have produced an intensification of individualised neoliberal and postfeminist identities Conversely others have championed access to social media for young people as a potentially useful political tool enabling previously marginalised political subjects such as girls to access and participate within new and exciting political cultures Locating itself at the intersection of these two approaches this book offers a fresh contribution to these debates Based upon the findings from focus groups with girls and young women aged between 12 and 18 in England the book offers an in depth analysis of the digital cultures that emerged from the study This timely book will be essential reading for anyone interested in contemporary femininity and feminism and the role of digital media in the production of cultural political and gendered identities

Getting Started on Instagram Donald Gregory, 2022-02-15 Instagram's popularity has skyrocketed in recent years It is now the most popular social networking site and it continues to grow in popularity Besides Instagram is a terrific method to keep up with what your friends and favorite brands are up to on a daily basis Instagram which was purchased by Facebook in 2012 and has over a billion registered accounts has become a part of daily life From tiny businesses to large corporations news organizations to cultural institutions celebrities photographers and artists not to mention the cottage industry of influencers that has sprung up in its wake it appears that everyone is on Instagram these days One could argue that Instagram is unlike any other social media platform The platform is nearly exclusively based on sharing photos and videos rather than words This visual twist is one of the reasons Instagram has grown into the cultural behemoth it is today Instagramming is now a verb If you've ever wondered how to best manage an Instagram account there are a few basic rules to follow to ensure that your Instagram photographs and Instagram stories go viral If you want to start a profile right now you'll need an Instagram tutorial to get you started We'll go over the recommended practices that any Instagram business account runner should be aware of in this beginner's tutorial We'll have your brand feed ready in no time from setting up your profile to providing content and building your audience

Annual Report to the National Assembly for the Financial Year Ended ... South Africa. Independent Electoral Commission, 2017
