unique ALI HAZELWOOD Readers ADORE Angelika Frankenstein Quirky bittersweet and utterly enchanting reader review I think I loved this one even more than The Hating Game reader review If I could give this 5 billion stars I would reader review For generations every Frankenstein has found their true love and equal unlocking lifetimes of blissful wedded adventure Clever pretty and odd Angelika Frankenstein has run out of suitors and fears she may become the exception to this family rule When assisting in her brother Victor s ground breaking experiment to bring a reassembled man back to life she realizes that having an agreeable gentleman convalescing in the guest suite might be a chance to let a man get to know the real her For the first time Angelika embarks upon a project that is all her own When her handsome scientific miracle sits up on the lab table her hopes for an instant romantic connection are thrown into disarray Her resurrected beau named Will for the moment has total amnesia and is solely focused on uncovering his true identity Trying to ignore their heart pounding chemistry Angelika reluctantly joins the investigation into his past hoping it will bring them closer But when a second suitor emerges to aid their quest Angelika wonders if she was too hasty inventing a solution Perhaps fate is not something that can be influenced in a laboratory Or is Will or whatever his name is her dream man tailored for her in every way And can he survive what was done to him in the name of science and love Filled with carriages candlesticks and corpses Angelika Frankenstein Makes Her Match is the spooky season romcom that reminds us to never judge a man by his cadaver This is Sally Thorne at her absolute best witty banter a sexy toe curling romance and voice that pirouettes off the page but add one part Tim Burton CHRISTINA LAUREN Bridgerton meets The Addams Family I was hooked the moment I read the first page RUBY ADAMS
