After seventeen years of figure skating and countless broken bones and broken promises, she knows her window to compete is coming to a close. Frankenstein has run out of suitors and fears she may become the exception to this family rule. When assisting in her brother Victor's ground-breaking experiment to bring a reassembled man back to life, she realizes that having an agreeable gentleman convalescing in the guest suite might be a chance to let a man get to know the real her. For the first time, Angelika embarks upon a project that is all her own. When her handsome scientific miracle sits up on the lab table, her hopes for an instant romantic connection are thrown into disarray. Her resurrected beau named Will for the moment has total amnesia and is solely focused on uncovering his true identity. Trying to ignore their heart-pounding chemistry, Angelika reluctantly joins the investigation into his past, hoping it will bring them closer. But when a second suitor emerges to aid their quest, Angelika wonders if she was too hasty inventing a solution. Perhaps fate is not something that can be influenced in a laboratory. Or is Will, or whatever his name is, her dream man tailored for her in every way. And can he survive what was done to him in the name of science and love?

Filled with carriages, candlesticks, and corpses, *Angelika Frankenstein: Makes Her Match* is the spooky season romcom that reminds us to never judge a man by his cadaver. This is Sally Thorne at her absolute best: witty banter, a sexy toe-curling romance, and a voice that pirouettes off the page. But add one part Tim Burton.

Christina Lauren, New York Times bestselling author of *Bridgerton* meets the Addams Family. I was hooked the moment I read the first page.

Duality by Becca Fogg, 2021-11. Jex thought she was an average post-college girl until she crippled a drunk and nearly incinerated a gas station. When her elemental powers manifest, she's torn from her placid life and shoved into the war between good and evil. Forced to rely on new allies, including the sweetheart Captain of the Guards and her alpha-hole Valen, Jex must come to terms with her newfound ability before her enemies succeed in capturing her.

Praise for *Duality*: This was incredible. I'm obsessed and completely invested in these characters and this story. Early Reader: I loved this book. I loved the witty banter, the sayings, the hidden clues, and the many little twists that were throughout the plotline. Goodreads Reviewer ARC: I don't know what drugs or witchcraft or messing with the time continuum the author has done to this book, but if you don't mind losing a night of sleep and you're into contemporary fantasy romance, go read *Duality*. TikTok Reviewer ARC: Five hottest words ever spoken: go sit in the chair. TikTok Reader ARC: Honestly, this book is in my top 5 favorite books of 2021. The sass of the characters had me smiling and laughing. And the spice. This book got me out of a reading slump. It was definitely a book that I couldn't put down. Need to know more: I am made of extremes. Normalcy was key before I'd have a normal life with a normal job and a normal white picket fence. That was before I crippled a drunk and torched a gas station. As it turns out, normalcy lives in the average gray, but I do not. Instead, I am made of extremes: of fire and water, of light over darkness, of good over evil. Well, mostly good over evil, apparently. Now I have no choice but to embrace the not-normal before my world comes crashing down a second time to piece myself back together with the family I found when I needed it, with the support of two men dragging me, kicking and screaming, to my full capability. But the bad guys are coming, and they're coming for me. He's coming for me. Ain't that some shit? NOTE: *Duality* is book one of four in the *Duality* Series and ends in a cliffhanger. It is

medium burn MF and slow burn RH TW The Duality Series is an 18 fantasy romance why choose reverse harem series If you like unique magic systems sword fights and action sequences sassy heroines and bonfire hot spice then this book is for you Book One contains explicit sex and violence and cheating as a tangential part of the story not among the main characters This book is not suitable for all ages and palates If that is not for you please do not buy this book
