Economics of Education Dominic J. Brewer, Patrick J. McEwan, 2010-01-26 A collection of short stand alone chapters divided into five sections including overview of the field, private and social returns to human capital investments, production costs and financing of education, teachers and teacher labor markets and education markets choice and incentives. The collection provides international perspectives that describe the origins of these subjects, their major issues and proponents, their landmark studies and opportunities for future research. The 70 contributors are each well regarded economists whose research has advanced the topic on which they write and this book fulfills an undersupplied niche for a text in the economics of education. The chapters come from the acclaimed International Encyclopedia of Education 3e 2010 edited by Eva Baker, Barry McGaw and Penelope Peterson. The Encyclopedia contains over 1 350 articles in 24 sections that stretch from educational philosophies and technologies to measurement, leadership and national systems of education. This single volume textbook presents a cohesive view of this increasingly important area of economics. Superb contributions from well regarded economist convey unique and useful perspectives. Chapters contain an extensive bibliography and further readings to enable interested researchers to extend their knowledge into each specific topic.

When Baseball Returned to Brooklyn Ed Shakespeare, 2003-05-13 Major league baseball has a long rich history in Brooklyn. From the time Brooklyn started play in 1884 until their move west to Los Angeles following the 1957 season, the Dodgers and their predecessors were the emotional center of the borough's diverse population. But Brooklyn would be without a professional team until June of 2001 when the Cyclones took the field in Coney Island as the Mets affiliate for the New York Penn League. This work follows the rookie level club from its formation through its first season. Brooklyn Dodgers, Carl Erskine, Duke Snider, Clem Labine, Johnny Podres, Ralph Branca, Joe Pignatano and Clyde King comment on their own minor league days and their days in Brooklyn. Also included are interviews of Cyclones players and fans of both teams.
