 Hall,George Miller,2020-02-05 The digital revolution is changing virtually every aspect of the business world However most
 attempts at the digital transformation of enterprises fail largely because of a lack of comprehensive and coherent strategy
 This book takes lessons learned from the rise of the digital platform giants and explores how they can be adapted and
 effectively applied to established businesses allowing them to compete within the new digital business paradigm Offering a
 holistic perspective on the business and technology landscape the book describes the megatrends evolution and impact of
 digital technologies and business models It brings together what for many is a disjointed set of business transformation
 imperatives to provide a practical guide to digital success Drawing on the authors decades of experience in supporting
 transformation and innovation the book lays out a path to a progressive iteration of business change and value realization
 balancing the perspectives of revolutionary transformation and change enabling optimization *Metropolitan Magazine*
