A Slow Approach to Visual Literacy in Higher Education Dana Statton Thompson, Stephanie Beene, 2025-04-10 The principles of slow librarianship which prioritizes reflection collaboration solidarity and valuing all kinds of contributions can also support deeper and more sustained learning and understanding This book emphasizes the importance of attention and focus to the process of visual literacy demonstrating how this approach supports ACRL's Visual Literacy Competency Standards for Higher Education and the Framework for Visual Literacy in Higher Education Library workers educators and instructors will discover dozens of flexible lesson plans for teaching visual literacy scaffolded by competency levels novice intermediate and advanced ways to integrate slow looking into the classroom emphasizing careful observation and the sustained act of looking techniques for showing learners how to select images with intention as well as carefully determine when and how to share those images reasons why slow creating is essential to understanding and applying visual literacy in the twenty first century and a look at how increasing access to internet connectivity generative artificial intelligence AI and new ethics for sharing and using

information online will affect the future of visual literacy The Communicator's Guide to Media Law and Ethics Mark Pearson, 2023-11-23 This book offers an introduction to the key legal and ethical topics confronting Australian journalists and strategic communicators both at home and internationally and offers a suite of reflective techniques for navigating them It starts by positioning morals ethics and the law in their historical and philosophical frameworks by tracing the evolution of free expression and professional media ethics Media law and ethics are then contextualized in their modern international human rights framework Readers are equipped with a skill set for reflecting on the law and ethics of professional media dilemmas including mindful reflection the Potter Box journaling concept mapping and discussion Such approaches are then applied to key topic areas including free expression reputation confidentiality privacy justice intellectual property national security discrimination and harassment and conflicted interests Each is examined in terms of its philosophical underpinnings relationship to human rights professional ethical context international examples legal principles key Australian laws legal cases and strategies for applying reflective practice techniques It concludes on a confident note imploring communicators to engage in constructive and mindful strategic communication with the authority and confidence that results from a working knowledge of media law and ethics This handbook is for professional communicators and students in all fields but particularly in journalism public relations corporate communication media relations and marketing **We Can Teach That**

Ewa Dziedzic-Elliott, 2024-11-28 Information literacy is a complex subject that finally arrived at the doorstep of school libraries For decades academic researchers have been trying to capture the essence of information literacy its educational cognitive and civic value The collection of book chapters offered in **We Can Teach That** is a handbook that can be used as an inspiration for teaching various types of literacy visual digital multicultural health and more The book asks important questions When do we start teaching information literacy How do we teach it How does it affect our students at their education level How does it prepare them for their post high school adult life Does it impact their transition to college or career Dziedzic Elliott and her collaborators provide a range of best practices and concepts that inspire thinking about teaching information literacy at all levels Although written with school librarians in mind the book can be easily adapted by teachers school administrators and even public librarians who are looking to incorporate information literacy elements in their daily practices The book challenges the reader to rethink what they know about digital or tech literacy breaks some stereotypical concepts about multicultural literacy and highlights the importance of literacies even in adulthood **iPhone**
